# MANUFACTURING

Superior Ink Apparel Mfg. is your gateway to creating custom apparel and accessories that surpass all expectations. We work directly with our manufacturing facility to ensure that every aspect of your custom apparel is on point, every time.

## THE CUT & SEW

# BENEFIT

- **Premium Quality:** We work directly with our manufacturing facility to ensure that the cut, fit, and fabric quality meet and surpass your expectations.
- **Complete Customization:** Cut and Sew production allows you to customize in ways not available with traditional apparel decoration.
- **On Brand:** With options such as custom inside labels and tags, these items are customized specifically to your brand. Our designers are well-versed in utilizing brand standards.
- **Great Price Point:** By working directly in the manufacturing industry, we are able to offer competitive prices on cut and sew items.

Why Cut & Sew

## CUT & SEW

# TECH PACKS

**Complete Customization:** Cut and sew provides you with options you can't get anywhere else. Whether you want to match the underbrim of your hat to your brand Pantone color, or you want to create something that's never been seen before, we can help you create tech packs to bring your vision to life.

**Attention to Detail:** No aspect of your cut and sew product is too small to care about. We'll walk you through all your options to ensure you understand the differences and get exactly what you want.

**Top Quality Production:** We source only the best quality materials and use industry-leading techniques to provide the highest quality final product.
