### Explanatory Statement u/s 102 of the Companies Act, 2013

#### Item No. 3

India has over 12.50 crore farmers households, of which, over 85% are small and marginal farmers with holdings of less than 2 hectares. The Small and Marginal Farmers need support to access to latest technology, require quality inputs and services at low cost and get remunerative prices through aggregation and sale of their produce. Formation of Producers Organisation/ companies proved to be a solution for problems faced by small and marginal farmers/ rural entrepreneurs. The Central and State governments have also been supporting these organizations to a large extent considering the need to protect the interest of these sections of the society. Recently, the Central Government has also allocated funds to the tune of Rs.200 crore to NABARD for promoting 2000 Producer Organizations in the next two years. The SFAC is also supporting the Producers Organisation by way of Equity Grant and Credit Guarantee Fund to reduce the risk cover for the financing agencies.

Having regard to the above initiatives of the government, serving the larger and marginal sections of the society and expanding our business opportunities, the Board of Directors has proposed to restructure ADFT to support Producer Organisations in big way so that ADFT can also expand its business to Pan India.

The existing main object clause of the MOA of ADFT restricts its operations to the state of Tamilnadu. In order to operate on a Pan India basis, the main objects clause of the Memorandum of Association needs to be amended suitably so as to change the area of operation as also to include the proposed objects which specifically permits lending to producer organizations. The above proposal requires the approval of the shareholders at the general meeting.
