A Message from the Chairperson

Dear Students & Parents,

In today's fast-paced and ever-evolving world, it is absolutely essential for us to truly grasp the importance of this simple logic.

It is crucial to recognise that only skills, those tangible and practical abilities, will truly help us survive and thrive in this dynamic environment. Dear students, I urge you to be creative, to think outside the box, and to learn practical skills that will serve you well in the future.

By doing so, you will be well-equipped to achieve your dreams and reach your full potential. Embrace the challenges, seek out new opportunities, and never stop learning.

This mindset will empower you to navigate the complexities of life and emerge successful in your endeavors. We celebrate our students' achievements in academics, sports, arts, and social initiatives, shaping them into well-rounded individuals.

Join us in building a community of excellence, innovation, and compassion at Future Point Public School.

Jeet Beniwal

A Message from the Principal

Dear Students & Parents,

Welcome to Future Point Public School, where knowledge meets curiosity. We focus on holistic development of students.

As an institution that follows the CBSE curriculum, we emphasize a balanced approach to education, where academics, co-curricular activities, and life skills go hand in hand. Our teachers nurture curiosity and a love for lifelong learning.

With state-of-the-art facilities and modern teaching methods, we support every child's excellence. We equip students with skills and values for a changing world.

To our students – embrace challenges. To our parents – your support is invaluable. To our faculty – your passion is our success. At FPPS, we are committed to empowering young minds with knowledge, integrity, and confidence, preparing them to become responsible global citizens.

Join us in shaping compassionate future leaders and responsible global citizens.

Diwakar Tiwari

Our Vision

At Future Point Public School, our vision is to create a transformative learning environment where students are inspired to reach their highest potential. We aspire to be a center of academic excellence, fostering a culture of innovation, integrity, and lifelong learning. We envision a future where our students emerge as confident, compassionate Indian, and globally aware individuals who are equipped with the knowledge, skills, and values needed to succeed in an ever-evolving world.

Our Mission

- ✓ Provide a well-rounded education that nurtures intellectual, emotional, and social growth.
- ✓ Maintain high academic standards through innovative teaching and a dynamic curriculum.
- ✓ Encourage students to think independently, solve problems, and express creativity.
- ✓ Instill values like honesty, responsibility, and compassion to develop strong moral character.
- ✓ Foster a co-educational atmosphere that promotes equality, mutual respect, and collaboration.
- ✓ Equip students with life skills, leadership qualities, and communication abilities for future success.
- ✓ Integrate modern technology and digital tools into education to enhance learning experiences.
- ✓ Promote sports, yoga, and mindfulness activities for overall health and well-being.
- ✓ Prepare students for a rapidly changing world with knowledge, adaptability, and cultural awareness.
- ✓ Strengthen partnerships with parents and the community to support student growth.
- ✓ Inspire students to become responsible Indian citizens, lifelong learners, and future leaders.

At Future Point Public School, we don't just educate; we inspire, innovate, and transform lives.

About FPPS

Established in 2011, Future Point Public School (FPPS) has built a strong reputation for excellence in education, shaping young minds into confident, knowledgeable, and responsible individuals. Our school is dedicated to academic achievement, character building, and holistic development, ensuring that every student receives a well-rounded education that goes beyond textbooks and classrooms. With a nurturing and inclusive environment, we focus on fostering intellectual curiosity, critical thinking, and problem-solving skills while instilling strong ethical values.

Our commitment to innovation in teaching methods, co-curricular engagement, and state-of-the-art facilities empowers students to excel in both academics and personal growth, preparing them for future success in an ever-evolving world; By integrating modern educational techniques with traditional values.

- ✓ CBSE Curriculum
- ✓ English Medium
- ✓ STEM Focus
- ✓ Eco-Friendly Campus
- ✓ Modern Digital Classrooms
- ✓ Safe and Efficient Transportation
- ✓ Extracurricular Activities
- ✓ Academic Excellence
- ✓ Qualified Educators
- ✓ Career & Guidance Support
- ✓ State-of-the-Art Infrastructure
- ✓ Regular Olympiads
- ✓ Wellness Center
- ✓ Co-Educational Environment
- ✓ Safe & Secure Campus
- ✓ Career & Skill Development
- ✓ Focus on Values & Leadership
- ✓ Dance Studio
- ✓ Well-Stocked Library
- ✓ Field Trips
- ✓ Yoga and Meditation

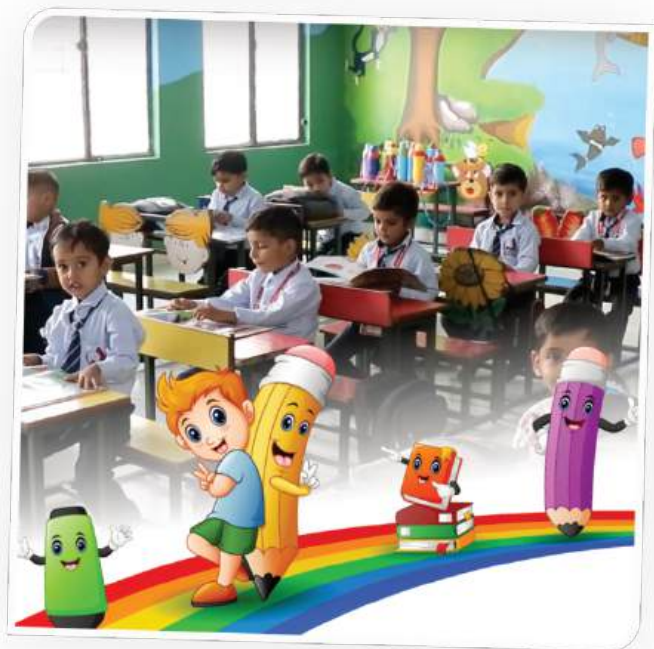

Curriculum

Future Point Public School (FPPS) follows CBSE curriculum, providing a structured and balanced education that aligns with national educational standards. We take pride in offering a co-educational learning environment, where boys and girls study together, fostering mutual respect, teamwork, and inclusivity. Our curriculum is designed to provide a strong foundation in core subjects, encourage critical thinking, problem-solving skills, and creativity, while also promoting co-curricular and extracurricular engagement to nurture well-rounded individuals.

Key-Points

- ✓ Covering core subjects like Mathematics, Science, English, Social Science, and Languages with a focus on conceptual understanding.
- ✓ Encouraging hands-on experiences, group discussions, and real-world applications.
- ✓ Smart classrooms and digital learning tools to enhance engagement and understanding.
- ✓ Integrated learning, a blend of arts, sports, music, and extracurricular activities to foster creativity and teamwork.
- ✓ Encouraging equal learning opportunities for all students, promoting collaboration, confidence, and mutual growth.
- ✓ Instilling moral values, ethics, and social responsibility in students.
- ✓ Well planned teaching-learning approach that makes homework tuition free.
- ✓ Ensuring continuous learning and academic progress through a well-structured evaluation system.
- ✓ Preparing students with essential life skills for future challenges.

Joyful Pre-Primary (*Pre-Nursery to KG*)

GOALS

Foundation For Growth

- ✓ Encouragement
- ✓ Play-way Learning
- ✓ Safety and Comfort
- ✓ Role Models
- ✓ Social and emotional Skills
- ✓ To develop body-kinaesthetic intelligence

Early childhood education is crucial for lifelong learning, focusing on nurturing curiosity and self-expression to develop 21st-century skills like creativity and emotional intelligence.

Play-based learning helps children acquire social, emotional, and cognitive skills, essential for thriving in a diverse society. A safe, welcoming environment fosters exploration and builds a foundation for future growth.

Primary Years (*1st to 5th Grade*)

GOALS

Fundamental Skills

- ✓ Confidence
- ✓ Core Competency
- ✓ Creativity
- ✓ Empathy and Respect
- ✓ Active Engagement

The primary years are crucial for building literacy, numeracy, and science skills essential in our knowledge-driven society. Encouraging confidence and creativity fosters innovative thinking and problem-solving.

Promoting empathy and respect prepares students to appreciate diverse perspectives, a vital 21st-century skill. Active engagement in academics and extracurriculars provides a well-rounded education, preparing students for future challenges.

Middle Years (6th to 8th Grade)

GOALS

Expanding Horizons

- ✓ Analytical Skills
- ✓ Academic Growth
- ✓ Leadership
- ✓ Community Involvement
- ✓ Personal Responsibility

As students enter adolescence, the middle years enhance analytical skills and academic growth, emphasizing critical thinking and leadership for problem-solving and collaboration.

Community involvement fosters social responsibility, encouraging positive societal contributions. Developing personal responsibility and learning independence equips students with adaptability for a changing world.

Secondary Years (9th to 12th Grade)

GOALS

Preparing For The Future

- ✓ Academic Excellence
- ✓ Career Awareness
- ✓ Research Skills
- ✓ Global Perspective
- ✓ Resilience
- ✓ Communication skills
- ✓ Social Responsibilities and Leadership skills

In secondary years, students are prepared for future academics and careers. Key objectives include academic excellence and career awareness, ensuring readiness for higher education and the workforce.

Building resilience and independence empowers students to face challenges confidently, while promoting social responsibility encourages ethical actions and community contribution.

Infrastructure

At Future Point Public School, we provide a modern and well-equipped campus designed to foster learning, creativity, and overall development. Our infrastructure includes spacious classrooms, advanced science and computer labs, a well-stocked library, and smart learning facilities. We offer dedicated sports areas and safe transportation services to ensure a comfortable and enriching school experience. With a focus on technology-driven education and student well-being, our campus creates an ideal environment for academic and personal growth.

Computer & Science Labs

Our computer & Science Labs are designed to provide students with hands-on learning experiences through modern technology and advanced equipment.

The computer lab features high-speed computers, interactive software, and seamless internet access, allowing students to develop essential digital literacy, programming, and coding skills. Through practical sessions, they gain exposure to emerging technologies.

Our Physics, Chemistry, and Biology labs feature modern equipment and safety measures, creating an engaging space for hands-on experiments and scientific exploration. Students understand complex concepts, and develop a passion for discovery.

Art & Craft Lab

Our Art & Craft Lab is a vibrant and inspiring space designed to nurture creativity and artistic expression among students. Here, young minds explore various forms of drawing, painting, sculpture, and craftwork, allowing them to experiment with different mediums, techniques, and styles. This dedicated creative hub not only enhances artistic skills but also fosters imagination, innovation, and self-expression. Through engaging activities and hands-on projects, students develop fine motor skills, patience, and an appreciation for aesthetics, helping them build confidence in their artistic abilities while promoting a lifelong love for creativity.

Transport Facility

Our school transport services are designed to provide students with a safe, reliable, and comfortable commuting experience. We have a fleet of well-maintained buses, each equipped with GPS tracking systems to ensure real-time monitoring and enhanced security.

Our trained drivers and attendants follow strict safety protocols, ensuring that students travel in a secure and well-supervised environment. The transport service covers various routes, making it convenient for students from different areas to reach school on time. With a strong commitment to safety, punctuality, and comfort, we aim to provide hassle-free and dependable transportation for all our students.

Activities

At Future Point Public School, we emphasize holistic development by integrating diverse co-curricular and extracurricular activities into our curriculum. Education goes beyond textbooks, and these activities help students develop essential life skills like creativity, leadership, teamwork, and problem-solving.

By participating, students explore their passions, build confidence, and grow into well-rounded individuals while making learning engaging and enjoyable. Here is the list of activities-

- ✓ Storytelling
- ✓ Music & Dance
- ✓ Sports & Yoga
- ✓ Theatre & Drama
- ✓ Talent Hunt Programs
- ✓ Rhymes
- ✓ Indoor Games
- ✓ Science & Math Fun Activities
- ✓ Leadership Programs
- ✓ Cultural Programs
- ✓ Science Exhibitions
- ✓ Art & Craft
- ✓ Drawing & Painting
- ✓ Public Speaking
- ✓ Web Designing
- ✓ Coding
- ✓ Quiz Competitions
- ✓ Self Defence Club
- ✓ Mind Games
- ✓ Handwriting Improvement
- ✓ Indoor Games
- ✓ Outdoor Games
- ✓ Career Counselling
- ✓ Student Councils

Extra Skill Modules Being Offered By FPPS

Skills For Life

- ✓ Creative Writing
- ✓ Public Speaking
- ✓ Environmental Awareness
- ✓ Emotional Intelligence
- ✓ Self-Discipline & Responsibility
- ✓ Basic First Aid & Safety
- ✓ Social Etiquette & Manners
- ✓ Ethical Decision Making
- ✓ Social Media & Cyber Awareness

Courses Designed for Digital Excellence

Frontend Development

You will design and code the parts of a website that users see and interact with, like buttons, images, and menus.

HTML CSS BOOTSTRAP

UI/UX Design

Students focus on how websites or apps look and feel. Your job is to make sure the design is attractive and the experience for users is easy & enjoyable.

Figma

CMS Development

You build websites without needing to code everything from scratch. It allows you to manage and update content easily.

Wordpress Elementor

Online Marketing

This is all about promoting things online, such as through social media, emails, websites, and ads, to reach a larger audience.

Social Media Content Marketing

Soft Skills

These are important personal skills like teamwork, communication, problem-solving, and leadership that help you succeed in any job.

English Speaking Content Writing

AI-Powered Learning! ✨

This focuses on learning about AI and how it's used to improve many tasks in our daily lives, such as recommendations on apps or smart assistants.

Gemini ChatGPT

MS Office

Learn Word, Excel, and PowerPoint to create documents, manage data, and deliver presentations.

W MS Word X MS Excel P MS PowerPoint

Basic Computer

Understand fundamental computer skills, including operating systems, typing, and file management.

Theory Everyday Use

Data Science

Discover the basics of data analysis, visualization, and problem-solving using real-world data.

Microsoft Power BI Python

Community & Partnerships

Partnerships With Parents

At Future Point Public School, we recognize that a child's education extends beyond the classroom. Through open communication, regular parent-teacher interactions, and collaborative initiatives, we ensure that families play an active role in their child's academic progress and personal development.

- ✓ Regular Parent-Teacher Meetings twice in a month to discuss progress and goals.
- ✓ Workshops & Seminars to equip parents with insights into modern education.
- ✓ Interactive School Events that encourage family involvement in learning.
- ✓ Providing structured feedback loops where parents can share their concerns and suggestions.
- ✓ Collaborating with parents to support emotional, social, and moral development.

Teacher-Guardian Home Visits

We go beyond the classroom to build a deeper understanding of our students' learning environments. Our Teacher-Guardian Home Visits initiative fosters strong relationships between educators, students, and families, ensuring personalized attention and support for every child.

- ✓ Understand student's home learning environments.
- ✓ Strengthen communication between teachers and parents.
- ✓ Address individual learning needs and challenges.
- ✓ Provide guidance for academic and personal development.
- ✓ We encourage students to take ownership of their learning, supported by both home and school.

Personality Development Offered By FPPS

Extra Emphasis On Spoken Skills

- ✓ Fluency in English
- ✓ Confidence Building
- ✓ Effective Communication
- ✓ Leadership Skills
- ✓ Critical Thinking & Decision Making
- ✓ Teamwork & Collaboration
- ✓ Ethical & Moral Values
- ✓ Creativity & Innovation
- ✓ Stress & Anger Management
- ✓ Cultural Awareness & Sensitivity
- ✓ Networking & Social Skills
- ✓ Foreign Languages

A Playful Yet Structured Learning Approach

Our curriculum goes beyond traditional learning by fostering an environment where children explore, experiment, and express themselves freely. We emphasize play-based education that nurtures natural curiosity, allowing young minds to discover concepts through sensory play, problem-solving activities, and creative expression. From engaging in science experiments and number games to developing language skills through phonics, storytelling, and group discussions, every lesson is designed to be interactive, engaging, and meaningful, ensuring that children develop a love for learning from an early age.

We understand that early childhood education plays a crucial role in shaping a child's cognitive, emotional, and social development. That's why we incorporate values-based learning, teaching essential life skills such as teamwork, empathy, self-discipline, and confidence. Through structured activities like art and craft sessions, outdoor play, drama, and cultural celebrations, children develop a sense of identity, belonging, and community. Additionally, hands-on learning experiences help refine their motor skills, coordination, and problem-solving abilities, laying a strong foundation for lifelong learning. Our goal is to create a joyful and stimulating educational journey where children feel inspired, supported, and prepared for future academic success.

Admission Process

- ✓ **Collect Admission Form:** Visit the school campus or call +91 9053011117.
- ✓ **Registration Opens:** Feb 1.
- ✓ **Nursery Admission:** Child must be 3+ years old by March of that year.
- ✓ **Forms:** Admission forms are available at the school counter.
- ✓ **Admission Criteria:** Registration does not guarantee admission. Admission is based on an admission test and a personal interview with the child.
- ✓ **Required Documents:** Guardians must submit admission forms, required fees, and a previous school leaving certificate or birth certificate for first-time admissions.
- ✓ **Provisional Admission:** Admission is provisional until conditions are met.
- ✓ **Fee Policy:** Fees are non-refundable after payment.
- ✓ **Terms & Conditions:** Subject to annual changes, applicable at the start of the new academic session.
- ✓ **Payment Deadline:** Fees must be paid by the 10th of the month. Late payments will incur a fine as defined by the school.
- ✓ **School Visit:** Parents are encouraged to visit the school for a guided tour and to understand the curriculum and facilities.
- ✓ **Registration Deadline:** Forms must be submitted before the deadline to be considered for admission.
- ✓ **Entrance Assessment:** Depending on the grade, the child may need to take a basic assessment test in English, Mathematics, and General Awareness.
- ✓ **Seat Availability:** Admission is subject to seat availability in the respective class.
