June 2026

Celebrate ProJeCt's Class of 2026

**Tuesday, June 23
6:00 p.m.**

You're invited to ProJeCt of Easton's Graduation Ceremony. The ceremony, sponsored by Judy and Stanley Walker, M.D., will be held at Easton's historic State Theatre. Graduation is the perfect moment to witness our mission in action and feel the impact of education and empowerment in our community. Join us as we honor the achievements of our GED graduates and ESL learners—each one a powerful testimony of determination, tenacity, and hope.

Come celebrate this inspiring milestone with our students and staff!

Please RSVP below or reach out to Jen Wanisko by Friday, June 12th:

SIZZLE!® is Almost Here!

We're launching into summer on June 22 with SIZZLE!®, our exciting literacy camp that keeps young minds active, engaged, and curious while school's out.

This year's theme is *Around the World: Reading Takes You Everywhere!* K-5 students will explore a different continent each week with an array of reading activities that spark imagination and critical thinking. With mystery readers, surprise guests, and fun-filled days, it's going to be an unforgettable adventure for our students!

Check out our wishlist below and support the supplies that bring learning to life.

Help Our Students Explore the World Through STEM!

Sizzle!® Summer Reading Program Around the World : Reading Takes You Everywhere

This summer, students at Sizzle!® will travel the globe through books, culture, and hands-on STEM exploration.

Each week students will discover a different region of the world while building literacy, Creativity, and Curiosity through engaging activities that combine reading, science, engineering, and culture. We are inviting families, community members, and local businesses to help bring these experiences to life by donating supplies for our program.

Weekly Global Adventures

Students will explore:

North America
South America
Africa
Europe
Asia
Australia & Oceans
