## Simply Savory, Simply Wonderful

ProJeCt of Easton's 18th Annual Simply Savory brought our community together for an unforgettable evening of celebration, inspiration, and impact on April 29 at beautiful Green Pond Country Club. Guests gathered to enjoy exceptional cuisine, meaningful stories, and a shared commitment to strengthening opportunities for the individuals and families we serve.

### An Evening of Inspiration and Impact

This year's Simply Savory paid special tribute to the late Don Follett through the presentation of a Legacy of Service Award to his family. Don's generosity and leadership helped shape ProJeCt's mission and continues to inspire our work today. His legacy lives on in every life touched by ProJeCt's programs.

Izzy Johnson, a 2025 ProJeCt graduate, shared a deeply moving speech about her personal journey to earn her GED and reflected on how ProJeCt impacted her life and family. Her story served as a meaningful reminder of the real and lasting impact made possible through the compassion and generosity of our supporters.

### Shining A Spotlight on our Mission and Programs

Simply Savory introduced new friends to the full scope of ProJeCt's program and services and reminded long-time supporters of the impact of their generosity. Attendees toured displays featuring each of our six programs. After dinner, ProJeCt premiered a powerful video featuring staff and students describing how our programs transform lives.

Your support today empowers adult learners achieve their goals, strengthens learning success for children, and ensures that our most vulnerable neighbors receive the care and support they need during times of crisis. Together, we can continue building a stronger, more hopeful community for generations to come.

The Tasting Hour featured outstanding culinary offerings from our restaurant partners, including Aman's Artisan Indian Cuisine, SURV, Nanny's Kitchen, and Elizabeth Mulrine Culinary Events, whose savory creations made the celebration even more memorable. DJ Sharbel Koorie of Fly Guy Music Productions provided entertainment throughout the evening.

We extend our heartfelt gratitude to our dedicated event co-chairs, Dr. Misty Holmes Dorsey and Susan Worobec, for their leadership and commitment in making Simply Savory such a tremendous success.

Thank you as well to our guests, sponsors, Board of Directors, Green Pond Country Club, and restaurant partners for making the evening possible. Your time, talent, generosity, and support created a memorable night filled with community, celebration, and impact. Because of you, the momentum continues long after the event ends, strengthening the programs that help people throughout Easton and the Lehigh Valley learn, grow, and thrive.

We are deeply grateful to everyone who continues to believe in ProJeCt of Easton's mission of helping people help themselves.
