

THINKING OF LAUNCHING AN ETF?

ETFs are fast becoming the vehicle of choice for investors and as demand continues to grow, more asset managers see ETFs as the way to reach investors.

Launching ETFs independently is complex, costly, and time-consuming, it can take years and require significant upfront investment. As a result, many asset managers worldwide are choosing partnership platforms for a faster, more cost-effective path to market.

THE LONGPOINT ETFs PARTNERSHIP PLATFORM OFFERS:

- Custom ETF structures
- Expert product development
- End-to-end management & operations
- Regulatory & compliance oversight
- Portfolio management & trading
- ETF trading & capital markets oversight

WE'LL HELP YOU AVOID THE PITFALLS OF LAUNCHING ETFs

- Building from scratch is costly and slow.
- Sub-advisory arrangements limit control and revenue.
- Our platform offers a streamlined, scalable alternative; faster, affordable, and tailored to your needs.
