

# 62 CLASSIC EXPLORER

## *Exceptional* COMFORT, STYLE *and* SEAWORTHINESS

3000+ NM, Range @ 8 kn

1 or 2 Engines

4 Cabins

3 Heads

As part of our Classic Explorer series, the Selene 62 Classic Explorer combines timeless trawler yacht styling with next-generation performance.

Featuring the exceptional safety, comfort, and reliability that every Selene is known for, the Selene 62 provides significantly more space than a Selene 60 Classic Explorer thanks to its wider beam. Standard twin engines provide greater power, enhanced redundancy, and added confidence for long-range cruising.

Along with the option of a generous crew quarters, the Selene 62 provides owners and their guests with an all-around more spacious yachting experience. Likewise, the larger Deep Hull structure provides more stability on extended voyages. These traits have made the Selene 62 Classic Explorer an ideal vessel for those who want to live aboard their vessels.

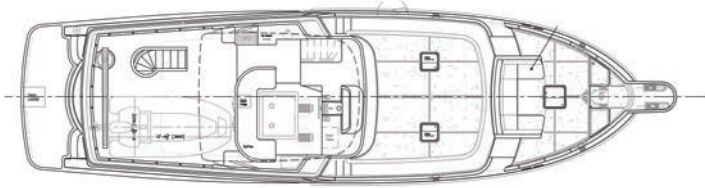

Like all Selene yachts, the Selene 62 is built to your needs and lifestyle. From galley configuration and number of engines to custom bathtubs, we go to great lengths to make sure you get the Selene you desire.

Put simply, by combining luxurious accommodations, advanced engineering, and exceptional craftsmanship, the Selene 62 Classic Explorer stands as a true pinnacle of passage-making.

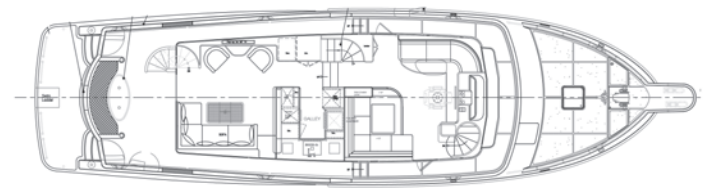

### **The Selene 62 Classic Explorer offers you:**

- Standard twin engines from John Deere or Cummins
- Option of 'Wide Body' configuration for increased living/entertaining space
- Robust systems and standard remote monitoring
- Expansive flybridge with large settee, built-in BBQ, sink, and optional refrigerator
- Flexible placement of galley ('galley up' in pilothouse or 'galley down' in salon)
- Spacious lazarette accessible directly from swim platform
- Choice of premium stone countertops and wood finishes for interior styling
- FRP hardtop for shade and protection from the elements
- High-end appliances and equipment throughout

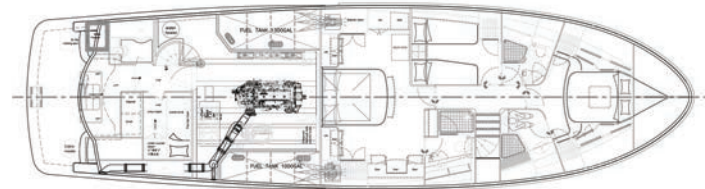

Upper Deck

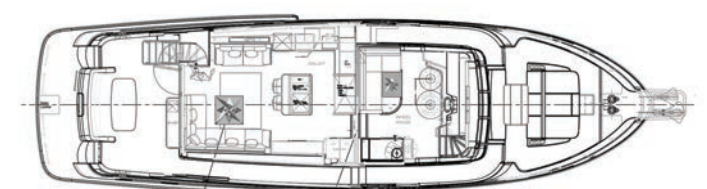

Main Deck, Galley Up

Lower Deck
