

STOP SEARCHING. START HIRING.

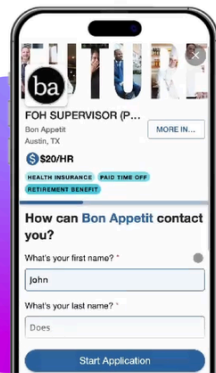

The Talroo & Fountain Integration Makes Hiring Easy

Powering over 1 billion job searches outside of Indeed, Talroo revolutionizes the job board to help companies attract & source frontline and skilled trades professionals from their AI-driven talent marketplace.

SmartDriveTime

SmartApply

Talroo's **SmartApply** allows candidate information to flow directly into Fountain as part of your existing workflow

Enhance the job search experience and improve quality for jobseekers and employers alike with Talroo's award-winning **Apply Intelligence** technology

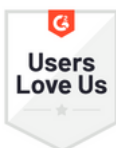

Collect valuable candidate information such as resumes, work history, education, and more

Talroo's **Target Cost-per-Interview** feature optimizes targeting based on interviews, enabling large-scale hires with precision.

Advertise with Ease

You can easily send jobs directly from Fountain to Talroo thanks to our Platform Partnership: you can then choose to run job posts as-is, or easily upgrade them using Talroo's advanced tools like Apply Intelligence (with no additional charge!)
