**IMAGINE TRYING TO GROW A PLANT WITH NO ROOTS.  
YOU WOULDN'T... YOU COULDN'T.**

**PLANT GROWTH IS DIRECTLY RELATED  
TO ROOT GROWTH. THE BETTER THE ROOTS,  
THE BETTER THE PLANT.**

- GT Rootzone is not just about explosive root growth – it's about **explosive** plant growth.
- We have spent over 5 years **perfecting** the GT Rootzone formula with thorough testing and trials.
- This **organic** based supplement is formulated with marine and plant extracts, fulvic acid, and select vitamins and minerals and is designed to be used in conjunction with Growth Technology nutrients throughout your plant's **entire life cycle**.
- GT Rootzone is **available** in 250ml, 1 litre, 5 litre and 20 litre bottles.

## THE COMPANY
