Section 3 – External Auditor’s Report and Certificate 2025/26

In respect of **Lower Medway Internal Drainage Board – DB0045**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2025/26

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. As reported last year, in the prior year the bank reconciliation submitted in support of Section 2, Box 8, contained the balance of the CCLA Public Sector Savings Account as at 28 February 2025 not 31 March 2025. As a result, Section 2, Boxes 3 and 8 in the prior year should read £831,927 and £3,491,922 respectively to recognise the interest received. This is due to the late receipt of the bank statement.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has not provided year end bank statements to support the bank reconciliation to Section 2, Box 8 for 3 accounts where the total balances included in Section 2, Box 8 amounted to £18.25. This was also reported last year as the smaller authority has still not been able to gain access to the accounts.

The Annual Internal Audit Report focuses on a series of internal control objectives covering an authority’s key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor has not provided a conclusion on internal control objective O where the response given is ‘Not covered’. The Annual Internal Audit Report will inform the authority’s response to Assertions 2 and 6 in the annual governance statement. As a result, the authority must ensure that assurance that has not been provided via these control objectives has been sought elsewhere.

The smaller authority has not provided:

- evidence that on appointment of the internal auditor, it satisfied itself with regard to the competence of the internal auditor and that there is evidence of the approval of appointment in place.
- evidence that it has considered the independence of the internal auditor during the year under review or upon appointment

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026.
