THE SHOW

Hart & Hustle is a captivating podcast hosted by Keenan & Efrain that dives deep into the minds of business leaders and education innovators who are reshaping our world. Each episode explores the Hart & Hustle it takes to succeed in the modern world, delving into broader topics like culture and mental health, thought innovation, and leadership in the modern age. We explore how these trailblazers create thriving environments, foster groundbreaking ideas, and lead with vision and compassion.

Weekly Pod | 45 Min Interviews Every Week

Our show is on all podcast platforms and YouTube. Every episode is promoted on our LinkedIn accounts. Episode titles and show notes are optimized for SEO to help episodes appear in search.

THE HOSTS

Meet Keenan Hart & Efrain Lozada: A dynamic duo blending leadership, innovation, and personal growth. Keenan, a mental health advocate and business leader, merges his family business roots with a passion for workplace well-being. Efrain, a business growth coach and strategist, channels his entrepreneurial success and resilience to empower others. Together, they explore leadership, culture, and innovation, offering insights to create thriving businesses, workplaces, and educational spaces.
