

# 28th Annual Women in History Luncheon

## *Benefitting the children of JRC's Learning Centers*

March 12<sup>th</sup>, 2026

Dear Friend of JRC,

We are excited to announce JRC's 28th Annual Women in History Luncheon: Up, Up and Fund the Way, taking place on Thursday, March 12, 2026. This signature fundraiser directly supports JRC's Learning Centers and strengthens our ability to provide high-quality early education, nurturing care, and stability for the families we serve.

As community needs continue to grow, so does the importance of this event. All proceeds from the luncheon help ensure that children have access to safe, inclusive, play-based environments where they can learn, thrive, and build the foundation for long-term success. Your sponsorship truly helps lift our work higher.

This year, we are proud to honor Stacy Dulik, a longtime committee member and community advocate whose dedication has helped this event soar, along with Maureen Ater, President and CEO of ArtsinStark, whose leadership and creativity continue to elevate our community. Their commitment has strengthened JRC and the families we serve, and we are excited to celebrate their impact.

We are also thrilled to welcome DeLores Pressley as our featured speaker. DeLores is an international keynote speaker, author, and founder of She Elevates, a nonprofit that empowers girls ages 8–14 to become confident leaders and entrepreneurs. Known for her powerful, uplifting message, DeLores inspires audiences to rise above challenges, discover their confidence, and reach new heights—perfectly fitting this year's theme.

As a business committed to strengthening our community, we invite you to partner with us as a sponsor. Your generosity fuels the essential services families rely on and helps ensure children have every opportunity to learn, grow, and take flight.

Enclosed, you will find sponsorship levels and opportunities. We hope you will join us for an inspiring afternoon and help lift our mission even higher in 2026.

Thank you for considering this meaningful investment in JRC and in the future of our community.
