# YOUR NYC SUBWAY MAP

A metro card's worth of confidence. Here's how to ride like you've been doing it your whole life.

## 01 KNOW YOUR TRAIN

Local and Express trains run on the same line. Don't refer to trains by color — you may end up on the wrong one.

## 02 UPTOWN OR DOWNTOWN

Most trains run Uptown toward the Bronx or Downtown toward Brooklyn. Pay attention to direction.

## 03 HOW TO PAY

Tap and pay with a contactless bank card, or buy an OMNY card for \$1. You only pay to enter — not to leave.

## 04 MORE TIPS

Scan for first-time-rider tips, station maps, and live service alerts.

VISITING FROM ABROAD?

# INTERNATIONAL TRAVELERS.

## SIM CARDS

Pick up a prepaid SIM at the airport or at **T-Mobile, AT&T or Verizon**. Plans start around **\$30–40** for a week. Or buy an eSIM online before you travel.

## CASH VS CARD

Most places accept **contactless payments** — Apple Pay and Google Pay work on the subway. Keep **\$20–40 cash** for bodegas, food trucks, and tips.

## VISAS

Citizens of **42 countries** can enter visa-free under the Visa Waiver Program (ESTA). All others must apply in advance. Check [travel.state.gov](https://travel.state.gov).

## POWER & PLUGS

The US uses a different plug. Check devices before you travel.

### Type A · 120V · 60Hz

Two flat parallel pins. Most modern phones & laptops work on any voltage.

## TAXES & TIPPING

Prices shown don't include tax.

**NYC sales tax is 8.875%** — always budget extra. Clothes & shoes under \$110 are exempt.

Tipping is standard — not optional. **Restaurants 18–20%**, taxis 10–15%, hotel housekeeping \$2–5/night.

## DRINKING & SMOKING

Drinking age is **21** — bring photo ID. Smoking is banned in restaurants, bars, parks, and within 15 ft of building entrances. Cannabis is legal for adults 21+ but not in public spaces.
