

Electric Vehicle - Drop & Go® TMV

With a strong commitment to prioritise the safety and security of your workforce, our EV Drop & Go® TMV solution has been meticulously crafted in collaboration with Renault UK, utilising the advanced Renault Master E-Tech Platform Cab.

To provide you with the highest quality conversions, built upon the most durable and reliable chassis available, AKFS work with a range of different vehicle brands to find the most appropriate solution to fulfil your needs, such as: -

Renault Master E-Tech (EV)

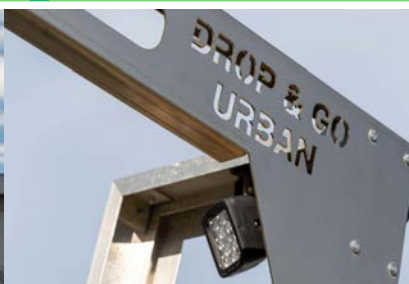

Built Without Compromise

The ingenious design of the EV Drop & Go® eliminates the need for traditional transportation methods of mobile traffic signals and associated equipment, rendering them obsolete. This enables your workforce to conserve their time and energy for more significant tasks at hand, without requiring a tail lift vehicle to transport Traffic Management equipment.

Standard Features Include: –
Maximum bed height of 595mm
Lightweight slip resistant floor
3900mm bed length
Assisted tailgate
700mm LED light bar
Amber LED flashers at rear
Independent Power System
Reversing camera

Optional Features Include: –
1200mm LED light bar
Additional amber beacons
Front mounted sign rack
LP13 Light Arrow Board
Additional cameras and DVR camera recording facility with or without remote access through 4G connectivity

AKFS have over 34 years' experience manufacturing premium quality specialist vehicles that provide an excellent return on investment. With one of the widest selections of special vehicles built and manufactured in the UK, AKFS can provide you with the right equipment for the right job. Whether you are looking for –

Traffic Management Vehicles, Plant & Tool Hire, Grounds Maintenance, Utilities & Construction, Transport & Recovery, Logistics, or Plant Movers

Our team are on hand to offer advice and guidance wherever necessary, supporting you during the all-important decision making process. We have a dedicated aftersales facility for all your aftermarket requirements including Service Contract's, Accident Repairs, and Genuine Parts. Additionally, our Online Shop caters for all of your out-of-hours purchases.
