Exhibit Location

The exhibition will be held in the lecture hall foyer (gold sponsors) and in the seminar room 2 (silver sponsors) of the Center for Biotechnology and Biomedicine (BBZ) (Deutscher Platz 5, 04103 Leipzig, Germany) during all conference days.

If you plan to ship exhibition devices or materials, please arrange delivery for the beginning of the conference and collection at the end of the conference. Please ensure that you receive and hand over the items yourself. In case you need assistance please contact Ms. Melanie Estrella (melanie.estrella@charite.de).

We do not recommend shipping materials internationally with DHL, which can induce large delays and improper handling.

Please note that ITEC does not provide customs clearance assistance and accepts no liability for lost or damaged goods, devices, or other technical equipment.
