

Implementing Tier II Training Overview

Description: The Tier II Training consists of four parts: two full days of in-person trainings and two brief online presentations to be viewed as pre-work for each in-person training. The materials and pre-work presentations are available on the training page of our website located [here](#).

Session	Description
Session 1 Pre-work: Collaborative Teaming Preparing for Tier II	<p>Format: Asynchronous online presentation viewed individually or with your team</p> <p>Audience: School Teams supported by District Leadership Teams</p> <p>Length: 30 minutes plus time for activities</p> <p>Training Materials: Presentation, Application Activities, Tier II Binder</p> <p>School-based Materials: School Implementation Fidelity Assessment (SIFA), Annual Implementation Plan (AIP), Guide for School-based RTI²-A + RTI²-B Resource Mapping</p> <p>Learning Objectives:</p> <ol style="list-style-type: none"> 1. Understand how leadership infrastructures support Tier II systems. 2. Identify the functions and responsibilities of a data-based decision-making team. 3. Prepare for Tier II training by updating the school-based resource mapping tools and determining who should attend training.
Session 1 Core Training: Implementing Tier II Intervention and Supports	<p>Format: In-person training</p> <p>Audience: School Teams supported by District Leadership Teams</p> <p>Length: 7 hours</p> <p>Training Materials: Presentation, Alignment Guide, Tier II Binder, Completed Activities from Session 1 Pre-work</p> <p>School-based Materials: Same as above</p> <p>Learning Objectives:</p> <ol style="list-style-type: none"> 1. Audit current implementation structure to support tiered frameworks for Tier II interventions and supports. 2. Understand characteristics of Tier II support and identify evidence-based instruction and intervention practices. 3. Recognize how a data-based decision-making team uses multiple data sources to evaluate student need and begin to apply this process themselves.
Session 2 Pre-work: Managing Tier II Interventions	<p>Format: Asynchronous online presentation viewed individually or with your team</p> <p>Audience: School Teams supported by District Leadership Teams</p> <p>Length: 10 minutes plus time for an activity</p> <p>Materials: Presentation, Application Activity, Tier II Binder</p> <p>Learning Objectives:</p> <ol style="list-style-type: none"> 1. Identify strategies to manage Tier II interventions. 2. Prepare for Tier II Training by creating a plan to improve intervention management.
Session 2 Core Training: Implementing Tier II Interventions and Supports	<p>Format: In-person training</p> <p>Audience: School Teams supported by District Leadership Teams</p> <p>Length: 7 hours</p> <p>Materials: Presentation, Alignment Guide, Tier II Binder, Completed Activity from Session 2 Pre-work</p> <p>Learning Objectives:</p>

	<ol style="list-style-type: none">1. Refine their data-based decision-making team's process to evaluate student need and select appropriate interventions by utilizing multiple data sources.2. Enhance their skills in selecting and managing tailored interventions to meet diverse student needs and practice and reflect on these processes within their student populations.3. Identify types of student response to intervention using fidelity monitoring and progress monitoring data.
