

- USB 3.2 Gen 1
- Dual USB Type-A and Type-C connectors
- Seq. Reads up to 120 MB/s
- Ultra-compact design

Patriot TAB T560 USB 3.2 Flash Drive

Designed with a dual interface (USB-C & USB-A), the Patriot TAB T560 delivers seamless compatibility across a range of devices. Its 360° swivel design makes it easy to use while still ensuring the connectors are protected. Whether you're transferring documents for work or media for play, the T560 ensures you're always ready to plug in and move forward.

Crafted in premium zinc alloy with a refined finish, the TAB T560 comes with an ultra-compact design of 6.2g, making it perfect to bring on the go. The T560 is engineered for high performance, offering fast transfer speeds of up to 120MB/s for photos, videos, and other files, making it the ideal companion for tech-savvy professionals, creatives, and anyone who needs to carry their digital life without compromise. Created to be both pocket-sized and efficient, the T560 is the perfect solution for anyone with a busy lifestyle who may need access to their files at any time.
