

LX SERIES UHS-I 128GB (with Card reader)

Introducing Patriot LX Series UHS-I compatible SDHC/XC flash memory cards, a memory card that is designed for videographers, photographers, and creatives! The LX Series UHS-I offers a blazingly fast performance, the ultimate upgrade for HD camcorders and mid-range cameras. The LX Series UHS-I is U1-certified and can achieve 10MB/s sustained write speed for full HD video capture, allowing you to capture every image or video without missing a moment!

With class 10 specification, the LX Series UHS-I is fast enough to record video in full high definition. The memory card has a maximum capacity of 128GB, ensuring there is enough space to shoot and store hours of videos and thousands of photos. Backed by Patriot's award-winning customer service, the LX Series microSDHC/XC card is the best choice for your camera, whether you're starting your creative journey or looking for an upgrade!
