Corporate Membership is designed for companies and businesses to provide a unique perk to company staff and customers. Your organization can enjoy a remote meeting place in a unique, inviting setting certain to impress and entertain current or potential clients or key staff members. And membership may be tax deductible (consult your tax professional).

Corporate memberships allow registered members to share the same locker and the same membership privileges afforded to full Executive Members. With our attractive hours of operation this plan is sure to offer a distinguishing privilege that will set your business apart.

*Corporate Member user rosters are the sole responsibility of the Corporate Member and roster changes must be updated on a timely basis.*

Private numbered and named temperature and humidity-controlled 12x29x14 locker to be shared by the Corporate Member users.

Guests are permitted for business purposes by reservation - contact The Drawing Room management for more information
