If you are unable, or choose not to provide some information to us, our review will be incomplete and may not consider all your needs or circumstances. We may still give you advice but will provide you with the details and limitations of that advice or in some cases we may also decide that it is not appropriate to give you advice without further information. We have duties under the Financial Markets Conduct Act 2013 and the Code of Professional Conduct for Financial Advice Services (Code) relating to the way that we give advice.

We are required to:

- Give priority to your interests by taking all reasonable steps to ensure our advice isn't materially influenced by our own interests.
- Exercise care, diligence, and skill in providing you with advice.
- Meet standards of competence, knowledge and skill set by the Code (these are designed to make sure we have the skills and knowledge required to provide you with relevant information).
- Meet standards of ethical behaviour, conduct and client care set by the Code (these are designed to make sure we treat you as we should and give you suitable information).

This is only a summary of the duties that we have. More information is available by contacting us, or by visiting the Financial Markets Authority Website at [www.fma.govt.nz](http://www.fma.govt.nz).

## 8. WHAT FEES, EXPENSES AND OTHER AMOUNTS ARE PAYABLE FOR SERVICES?

You are entitled to know how and what we will charge for our services and what other benefits we receive.

Donaldson Brown has spent many years forging relationships with local and international insurance providers. The benefits of these relationships are seen everyday by our clients in the outstanding range, competitive pricing, coverage options and policy support services they receive.

For our life and disability clients, Donaldson Brown either receives a fee from the client or commissions from the insurer premium, in all instances this income is fully disclosed to our clients.

Where possible and it is more beneficial to you as a client to remove commissions and charge a fee for service instead, we will discuss and agree with you the fees associated with implementation and on-going servicing.

**Policy Cancellation:** If your policy is cancelled or lapses in the first 2 years from its inception, Donaldson Brown is liable to return commissions it has received. We will therefore charge you a fee appropriate for the financial services that we have provided you.

We will use the following formula to calculate the fee:

Cancellation fee = \$1,200 + GST for 8 hours of work, calculated at \$150+GST per hour. We will invoice you for this fee and it will be payable on the 20<sup>th</sup> of the month following the cancellation of your policies.

### Not Proceeding with Advice

If you decide not to act on our advice provided after our active engagement, then we may charge you an hourly fee of \$150 + GST for the services provided (discovery process, needs analysis, research, advice).

This will be based on the time it has taken to prepare our advice to you. The average charge for this service is \$900 + GST which is calculated at 6 hours.

This does not apply to situations where cover has not been proceeded with due to the insurer offering disadvantageous terms based on medical history, family history, dangerous occupations, or past times / hobbies.

*Our operating principal for all clients since inception is "no hidden fees, no hidden commissions".*

## 9. CONFLICTS OF INTEREST AND COMMISSIONS OR OTHER INCENTIVES

Donaldson Brown operates in a totally transparent and conflict free manner by disclosing all fees and/or commissions.

The amount of the commission received varies as it is calculated as a percentage of the insurance premium charged. You will be advised of the amount of the commission at the time the financial advice is provided.

There are two forms of commission in Life & Disability insurance:

- Upfront Commission (advice and implementation) – this is paid to us as a one-off once the policy has been implemented.
- Renewal Commission (ongoing servicing, paid after first policy anniversary) - this is the ongoing remuneration that

we receive from the insurer, traditionally paid monthly to us rather than as a lump sum.

Donaldson Brown pays your Financial Adviser a salary, plus bonuses and other incentives. Donaldson Brown and your Financial Adviser may receive indirect benefits from insurers and premium funders such as business lunches, tickets to sporting and/or cultural events or corporate promotional merchandise.

We may also receive additional overrides from some insurers. These are designed to support businesses with their compliance training and administrative cost and have no impact on your insurance premium costs.

We recognise that the above commissions and incentives may create conflicts of interests for Donaldson Brown and your Financial Adviser. There may also be conflicts of interest between different clients of Donaldson Brown.

To manage these conflicts, we follow an advice process that ensures our recommendations are made based on your financial goals and circumstances. Your Financial Adviser undergoes specialist training in how to manage conflicts of interest. Donaldson Brown undertakes compliance audits of your Financial Adviser, and we also annually audit our conflicts of interest compliance framework.

### Referrers and Referrals

Donaldson Brown may have agreements with external parties, where they refer any identified Life & Disability Insurance business to us (Referrers). We may pay referrers for this business in which case we will disclose who the agreement is with and the payment amount at the time the financial advice is provided.

We also may have agreements with external parties, where they receive referrals from us, for financial services which Donaldson Brown do not provide (Referrals). We may receive a commission from referrals in which case we will disclose this at the time we make the referral. We will only ever make referrals with your agreement.

### AIA Vitality

Where AIA Vitality is attached to a policy, the annual premium that is used to calculate the commission, is the annual premium before the AIA Vitality discount is applied (10%).

## 10. WHAT ARE OUR TERMS OF PAYMENT?

### Fee Invoices

For your fee invoice you must pay us within 10 days of the date of the invoice.

For Life & Disability insurance policy invoices you need to pay the insurer directly within the date(s) specified on their invoice/email.

If you do not pay the premium on time, the insurer may cancel the contract of insurance, and you will not be insured.

## 11. TERM AND TERMINATION

Our services may be terminated by you or Donaldson Brown with one month's notice in writing to the other party. Longer term arrangements can be agreed in advance by both parties.

If you decide to terminate our services, we will be entitled to retain all commissions and/or fees for any policies of insurance

and/or risk services that we have arranged / provided on your behalf. In the event that any insurance premiums are outstanding at the time of termination you must pay us these amounts as part of the termination arrangements.

We will provide all reasonable assistance and cooperation after such notice of termination.

We may continue to answer queries and provide assistance after this period if requested by you, however we reserve the right to charge scaled fees for the provision of such services.
