

KRASNOGOROV STUDIO

NOVIOS

Novios is an organically inspired floor lamp design by Vlad Krasnogorov. Sculptural and fluid, the design evokes unity, movement and connection through 2 intersecting forms that rise in quiet harmony. Merging functional lighting with collectible design, the piece reflects the artist's mastery of craftsmanship and material.

Novios was honored as a 2026 Readers' Choice Winner for Residential Excellence in Design by LUXE Interiors + Design.
