nemu

Know what you own. Decide who gets it.

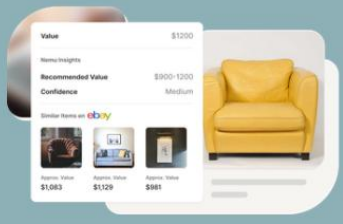

Forget spreadsheets, group texts, and family chaos. With Nemu, instantly create a home inventory and decide what's next for your belongings, saving time, money, and stress.

What do I have?

Snap photos and Nemu builds your home inventory in minutes, ready to share with your plan attorney and family.

What's it worth, and is it protected?

Instant price estimates and check for gaps in your insurance coverage.

Who gets what?

Choose from 3 ways to get input on who-wants-what and fairly divide items from the comfort of home.

★★★★★

This is a GREAT app

"Nothing else like it that I could find... Very equitable, no tears, minimal strife." - David

★★★★★

Nemu was a big win for our family

"It was such a gift for my mom to be able to share her lovely belongings with people who really want them!" - Margot
