I am a freelance Graphic designer with a passion for bold and thoughtful design. I am a recent graduate from the Algonquin College Graphic design program. I love creating everything from brand identities to digital layouts. Outside of design, I'm into art, video games, and curling.

Experience

Graphic Designer • Freelance • April 2025 - Present

- Managed multiple projects independently from concept to delivery.
- Collaborated with clients to develop visual identities, including logos, brand guidelines, and marketing materials.
- Created mockups, wireframes, and presentations to effectively communicate design solutions to clients.
- Adapted designs based on clients' feedback.
- Utilized Adobe Creative Suite (Illustrator, Photoshop, InDesign) and other industry tools to execute professional design work.
- Work with printers and developers to prepare final products and ensure accurate production.
- Developed and maintained long-term relationships with clients through reliable service and consistent results.

Graphic Designer Placement • Coyle Media Group • March 2025 - April 2025

- Designed the 2025 Spring/Summer edition of The Ultimate Guide Magazine
- Designed ads for various companies that will be displayed in various magazines like The Ultimate Guide Magazine or The Fifty-Five Plus Lifestyle Magazine and more

Key Holder/Sales Associate • Terra20 • April 2023 - September 2024

- Open and close the store, ensuring all security protocols are followed.
- Provide leadership and support to co-workers during shifts.
- Assist customers with inquiries and purchases, delivering excellent service.
- Operate the point-of-sale system, process transactions, and handle cash reconciliation.
- Address customer concerns or escalate issues to management as needed.
- Work independently during shifts, ensuring smooth operations
- Monitor and restock inventory, ensuring displays are neat and well-organized.
- Fulfill online orders by picking products, packing orders, and preparing them for shipment or in-store pickup.
- Manage and update the back end of the Shopify store, including product listings and stock adjustments.
- Support training and mentoring of new team members.
