**Mae adborth y gymuned yn bwysig  
Community feedback is important**

**Pam dod?**

Mae ymgysylltu cyhoeddus yn helpu pobl leol i ddeall beth sy'n cael ei gynnig ac yn rhoi cyfle i dîm y prosiect glywed cwestiynau, pryderon a syniadau yn uniongyrchol gan y gymuned

**Why attend?**

Public engagement helps local people understand what is being proposed and gives the project team the opportunity to hear questions, concerns and ideas directly from the community.

**Am y prosiect**

Nod y prosiect yw darparu pŵer glân dibynadwy 24/7 i ddiwydiant lleol, gan gefnogi twf, adfywio a datgarboneiddio

**About the Project**

The project aims to provide reliable 24/7 clean power for local industry while supporting growth, revitalisation and decarbonisation
