Leadership: Theory, Application, and Skill Development book provides a practical introduction to leadership theories. Written by Robert N. Lussier and Christopher F. Achua, it uses real-world examples and step-by-step models to prepare readers for various leadership situations. The Seventh Edition focuses on developing the skills needed for success in today's business world, covering crisis leadership, servant leadership, social impact, and high-performing organizations. This book is part of a comprehensive teaching package. It also offers digital learning tools, assignable video assessments, self-assessments, and Learning Management System (LMS) integration for instructors. The suggested retail price varies from \$57 to \$166. ISBN: 978-1-0718-7132-4 Leadership: Theory, Application, and Skill Development offers an applied introduction to leadership theories and concepts. Bestselling authors Robert N. Lussier and Christopher F. Achua use current, real-world examples and step-by-step behavioral models to help prepare readers for various leadership situations and challenges. The Seventh Edition provides 23 new cases profiling diverse leaders and covers crisis leadership, servant leadership, social impact, and high-performing organizations. The new edition of the title includes a representative LMS cartridge that makes it easy to import instructor resources into popular learning management systems such as Blackboard, Canvas, and Brightspace by Desire2Learn, as well as Moodle. This LMS cartridge provides various resources including test banks tied to AACSB standards, editable PowerPoint slides, an Instructor's Manual, and tables and figures from the textbook. For users without an LMS platform, all online resources are available via a password-protected Instructor Resource Site. The new edition is also available digitally through SAGE Vantage, offering auto-graded assignments, interactive multimedia tools, and features that enhance student preparation for class. This edition includes 23 case studies featuring diverse leaders, expanded coverage of diversity, equity, and inclusion, and reorganized content in Part IV: Organizational Leadership. Key features include chapter-opening and closing case studies, self-assessments, Applying the Concept exercises, and Developing Your Leadership Competences exercises tied to AACSB competencies. The author, Robert N. Lussier, is a professor with over 35 years of teaching experience and has written more than 500 publications. He holds a national and international reputation as an author and keynote speaker, with his textbooks used by over two million people globally. **Diverse Clientele & Renowned Authors** Works with a broad spectrum of clients, including Baystate Medical Center, Coca-Cola, Friendly's Ice Cream, National Institute of Financial Education, Mead, Monsanto, Smith & Wesson, Social Security Administration, Visiting Nurse Association, and YMCAs, informing the content of this book. **Dr. Lussier's Academic Credentials** * Holds a Bachelor of Science in Business Administration from Salem State College * Earned Master's degrees in Business and Education from AACSB-accredited Suffolk University * Doctorate in Management from University of New Haven (pre-doctoral AACSB MBA accreditation) **Dr. Christopher F.
