Connectwise university answers

Welcome to ConnectWise University, your one-stop shop for staying ahead in the technology industry. Here, you'll find a wealth of resources, including lessons, blueprints, documentation, and more, designed to help you steer your business toward success. The university's homepage is tailored to meet your needs, allowing you to track your progress, search for pages, and much more. You can quickly view your degree completion status, explore additional resources, or access product implementation information. To get started, click on the Home button to return to the university's main page. We've organized our content into various sections, including: * My Learning: This section provides access to educational materials, such as lessons, videos, and partner kits. * Documentation: Here, you'll find comprehensive guides for all current ConnectWise products, as well as information on upcoming enhancements and patch updates. * Consulting: Our consulting resources will help you unlock the full potential of your ConnectWise products. * Community: Join our virtual community to connect with peers and industry experts, share knowledge, and stay up-to-date on the latest trends. Stay informed about what's new in the university by jumping to the Latest Updates section (updated quarterly). You'll also find information on upcoming training events, such as product certifications, webinars, and workshops. To get the most out of your ConnectWise University experience, be sure to: * Check your transcript for a snapshot of your completed courses * View your badges and earned points for completed learning plans * Enroll in upcoming events and training sessions By visiting our Business Innovation Center, you'll gain access to a repository of resources designed to help your organization stay ahead in the technology industry.
