## Instinct primaire sans censure retour a l'instinct primaire non flouté

looking forward to seeing everyone at the meeting tomorrow and discussing our strategies. vimeo.com needs to review the security of your connection before proceeding. extreme competitions have recently reached new heights with " Solo and All Naked" ! In this series, two perfect strangers, a man and a woman, are forced to live for 21 days in inhospitable terrain, in remote areas of the world, without water, food and... clothing! Each week, a couple must overcome the challenge of surviving in hostile meteorological conditions and at the risk of vicious predators. Left alone in these secluded zones with only basic tools, they must find ways to feed themselves, dress properly and take adequate shelter. But before they can coexist, the two protagonists must get to know each other and learn to trust each other if they want to survive. A medical team follows their evolution and reports on their progress, or their challenges, in order to succeed. Report a missing or incorrect offer Success in audience and notoriety on RMC DECOUVERTE, I had the pleasure of commenting on "Return to Primary Instinct", a very unique show.Return a l'instinct primaire : an Adam and Eve-style couple face the wilderness for 3 weeks. If they hold on tight. They have won.La production comes to get them. (If they don't make it)Hey !But what if it's just that... Maybe this is the most beautiful thing about this show.A simple human challenge, grandeur nature. It's been a long time since we've seen something like that on TV.To be the voice of off for this show also represents a certain challenge. To accompany the pure and positive state of mind of the program, one must avoid sensationalism. One must be careful to respect the adventure, while explaining the technical aspects and the difficulties of such an undertaking. This requires sobriety, whereas the two protagonists are really in danger their health and integrity is at stake.Differently from many other programs where no one is in danger and yet we have to feed the dramatic aspect to raise the intensity.Brief ! A show unlike any other to discover without hesitation. Little wink : I saw many curious people on social media who asked if they could see unedited images... I will publish all episodes here before editing.MAIS NON BIEN SÛR !But for the small story, the recording of the voice off takes place before the editing.Pas facile de rester bien concentré dans ces conditions.But in any case, I can tell you that the participants quickly got more interesting challenges than to worry about it. Hunger, cold and especially thirst are real problems they face.Let me know if you want to see really naked people, it's over here, many hair : CLIPPow to see other excerpts of voice off from TV shows is here Two strangers, a man and a woman both skilled in survival techniques, have chosen to test their abilities in one of the world's most hostile regions with no water, food, or clothing. Their goal is to collaborate for three weeks to survive. Filmed by a technical team that strictly only intervenes in cases of extreme urgency, they will be left alone at night. In preparation, they are about to attempt one of the most extreme survival challenges ever conceived, and to succeed, they must resort to their primal instincts...
