The "1 priest 1 nun" video, also known as "Church of Fudge," is a two-minute scene from a German fetish pornography film featuring scat fetishism between two actors dressed as a priest and a nun. The video parodies an exorcism ritual and can still be found online on mirror sites despite the original hosting site being defunct. You can find the infamous "1 Priest 1 Nun" video by searching for it in any search engine, where it will likely appear at the top of the results. However, please note that this video is not safe for work or public viewing. The video has been used in memes and reaction videos over the years, often referencing its name "Church of Fudge."
