## Cole haan shoe size guide

To find your correct shoe size, follow these steps: 1. Measure the length from the heel to the tip of your longest toe. 2. Compare this measurement to the chart provided (in centimeters or US/EU/UK sizes). 3. Find the closest corresponding length and look for your size to the right. For women's shoes, use the following charts: \* Men's: + CM to US/EU/UK + Measure from heel to longest toe + Narrow - N/B, Regular - M/D, Wide - W/EE \* Women's: + CM to US/EU/UK + Measure from heel to longest toe + Narrow - N/AA, Regular - M/B, Wide - W/C Note: The chart shows the corresponding sizes in different measurements (CM, US, EU, UK) and provides options for narrow, regular, and wide widths.
