Ferrari" for the seventh time! The character of Jesse Stone originated in a series of airport novels by Robert B. Parker. The first novel, "Night Passage," was published in 1997 and followed the titular former LAPD detective as he investigated crimes in Paradise, Massachusetts. After Parker's death in 2010, other authors continued writing Jesse Stone novels in his style, bringing the total to 12 additional books. In addition to the TV movies directed by Robert Harmon (except for "Jesse Stone: Innocents Lost," which was directed by Dick Lowry), Jesse Stone has appeared in nine films starring Tom Selleck as Jesse Stone and co-written by him. The series has featured notable actors like Saul Rubinek, William Sadler, Kathy Baker, William Devane, and Viola Davis. There are nine films in the Jesse Stone film series. To get the most out of these movies, it's best to watch them in the order they were released: "Jesse Stone: Stone Cold" (2005), "Jesse Stone: Night Passage" (2006), "Jesse Stone: Death in Paradise" (2006), "Jesse Stone: Sea Change" (2007), "Jesse Stone: Thin Ice" (2009), "Jesse Stone: No Remorse" (2010), "Jesse Stone: Innocents Lost" (2011), "Jesse Stone: Benefit of the Doubt" (2012), and "Jesse Stone: Lost in Paradise" (2015). The Jesse Stone series is a delightful "comfort watch" that's perfect for those who enjoy mystery and suspense without getting too deep into complex issues. Based on Robert B. Parker's novels, these movies are set in cozy New England and follow a straightforward narrative path, making them easy to get hooked on. As an outsider, they seem similar to the '00s-dad version of "Law and Order," with Tom Selleck delivering a captivating performance as Jesse Stone, a detective in small-town Paradise, Massachusetts. The series consists of nine equally engaging films that offer not only intricate mysteries but also a deep exploration of human relationships and the darker aspects of humanity. Each installment brings something new to the table, making it easy for viewers to become captivated by the on-screen action. With Tom Selleck's versatility as an actor and his portrayal of Jesse Stone solidifying his status in the crime genre, these movies have truly elevated the field. Here are all nine films in order of their release: 1. 'Jesse Stone: Stone Cold' (2005) 2. 'Jesse Stone: Night Passage' (2006) 3. 'Jesse Stone: Death in Paradise' (2006) 4. 'Jesse Stone: Sea Change' (2007) 5. 'Jesse Stone: Thin Ice' (2009) 6. 'Jesse Stone: No Remorse' (2010) 7. 'Jesse Stone: Innocents Lost' (2011) 8. 'Jesse Stone: Benefit of the Doubt' (2012) 9. 'Jesse Stone: Lost in Paradise' (2015) If you want to watch them in chronological order, start with "Jesse Stone: Night Passage" and follow the timeline. This will ensure a smooth viewing experience without any potential plot holes or issues. Stone Passage Night explores Stone's life after being ousted from his job as a homicide detective in Santa Monica due to alcoholism. He moves to Paradise and becomes police chief, only for a typical domestic abuse case to turn into a complex money-laundering investigation involving a State Bank manager. The film features strong performances from Tom Selleck, Saul Rubinek, and Viola Davis, with Selleck's portrayal of Stone's complex personality being particularly noteworthy. The narrative delves into Stone's relationships and the challenges he faces, setting the stage for future sequels. Stone Cold sees Tom Selleck as Jesse Stone, a small-town police chief inspired by Robert B. Parker's novel series. This is Selleck's first outing as Stone, where he embarks on a murder investigation despite his superiors' annoyance. The star-studded cast, including Jane Adams and Reg Rogers, brings a suspenseful mystery to life. Death in Paradise finds Jesse Stone amidst personal and professional challenges. A teenage girl's murder leads to deeper malice within the quiet town of Paradise, while a recurring domestic violence case keeps him on his toes. As he navigates these challenges, Stone begins attending sessions with psychiatrist Dr. Dix, portrayed by William Devane. In Sea Change, Tom Selleck reprises his role as Jesse Stone, dealing with his personal life and professional duties. A new case unfolds, involving a local politician's murder, which leads to further revelations about the town's dark secrets. The film features Kathy Baker and Kohl Sudduth in supporting roles. Each installment of the Jesse Stone series captivates audiences with its intricate police work, suspenseful unraveling of crimes, and exploration of Stone's complex character. The case is complex, with Jesse Stone being pulled in multiple directions as he tries to solve a murder connected to a bank robbery that resulted in the death of Rebecca Lewis. At the same time, he's dealing with the city council over their handling of a rape case within the community. The story gets even more twisted when personal challenges arise for Jesse, including his colleague Luther being in a coma and Molly leaving her job to focus on family. However, new characters are introduced, like Kathy Baker as Rose Gammon, who replaces Molly, and William Sadler as Gino Fish, a mobster with a significant role in the plot. This chapter of the series earned Tom Selleck an Emmy nomination for his performance, showing the depth he brings to the character. The story continues with Jesse Stone taking on a case involving a mysterious letter sent to a mother who thinks her child is dead. Despite being told to leave it alone, Jesse's sense of justice and curiosity get the better of him. In the next installment, Jesse faces a shooting incident that puts his friend Captain Healy in harm's way. The pressure from the town council doesn't deter Jesse as he investigates further into the near-fatal incident. Adding complexity to the plot is the case of a supposed deceased child, which tests Jesse's ability to hold onto hope. Character shifts occur in this chapter, with Deputy D'Angelo leaving after Jesse's intervention and an unexpected romantic encounter between Stone and an Internal Affairs investigator. The story concludes with significant events that will impact the series moving forward. The next installment sees Jesse being suspended from the town council but continuing his pursuit of justice on his own. He delves into a series of unsolved cases, crossing paths with an old friend in Boston who is investigating a similar case involving robbery and murder. Despite his suspension, Stone remains relentless in his quest for truth. However, this chapter explores the consequences of Jesse's actions, including his loneliness and reliance on drinking. It also deepens his relationship with Reggie, a dog he's had since before the story began. Jesse Stone's life takes an unexpected turn after he leaves his role as Chief of Police. Despite no longer being in charge, he continues to solve crimes on his own. A figure from his past reappears, pulling him into a new murder investigation. As Jesse navigates this mystery, the police department grapples with the challenges posed by their new chief. Looking forward to watching Jesse Stone movies in chronological order here are the original release dates: Job security in jeopardy for Jesse Stone, a chief whose rash decisions put his career on the line. His most recent blunder involves getting entangled with an Internal Affairs investigator who's evaluating his behavior. 6. As suspension looms, Stone turns to drinking but remains committed to upholding justice by proving mobster Gino Fish's guilt in a murder case. 7. Following his demotion from police chief, Stone shifts gears and starts working as a private investigator. However, his relentless pursuit of justice drags him into multiple murder cases. 8. After temporarily reclaiming his position, Stone investigates the murder of his predecessor. He must navigate the treacherous landscape of potentially corrupt colleagues. 9. In the series finale, Stone returns to being Chief and grapples with the loss of his beloved dog Reggie. He embarks on a consulting mission to unravel the case of a suspected serial killer's victim, and welcomes a new canine companion into his life.
