Danny Glover is an American actor, film director, and political activist known for his iconic role as Roger Murtaugh in the Lethal Weapon series. He was born on July 22, 1946, in San Francisco, California, and is now 76 years old. Danny stands at 1.92 m tall and comes from a family with strong roots in social activism, thanks to his parents' involvement with the NAACP. Danny has been married twice, first to Asake Bomani from 1975 to 2000, and then to Eliane Cavalleiro in 2009. He has one child, Mandisa, born in 1976. With a net worth of \$40 million, Danny earns around \$10,000 to \$50,000 annually. He attended George Washington High School and San Francisco State University but did not graduate. Despite this, he was awarded an honorary degree by the university. He trained at the Black Actors' Workshop of the American Conservatory Theater and has appeared in numerous films, including The Color Purple, Predator 2, To Sleep with Anger, Angels in the Outfield, and Operation Dumbo Drop. Danny is also a prominent supporter of humanitarian causes and has been active in politics throughout his career. His nephew, Donald Glover, often sparks confusion due to their shared surname, but they are not related. In recent years, Danny has appeared in several movies, including The Last Black Man in San Francisco, Proud Mary, and Sorry to Bother You. Danny Glover has had a long and prolific career in film and television, with over 70 credits to his name.
