**Intuitive anatomy manual pdf. Theta healing intuitive anatomy manual pdf. Intuitive anatomy pdf. What is the best book for anatomy. Intuitive anatomy theta healing. Theta healing intuitive anatomy pdf.**

Experience life-changing self-discovery on our intensive three-week Theta Healing course. Designed by Vianna Stibal, Intuitive Anatomy accelerates quantum healing across all body systems and organs. This comprehensive course is the most effective way to empower yourself, transforming your life on every level. You'll learn how to tap into unlimited intuition, swiftly resolve deep emotional issues, and heal at every being level. The course will unlock your full potential, leading to a complete metamorphosis in your life. You'll expand your healing abilities infinitely and gain invaluable knowledge about the body's systems. In just three weeks, you'll master: \* Maintaining a conscious Theta State \* Changing beliefs and teaching new feelings instantly \* Exponentially enhancing intuitive skills \* Understanding anatomy and beliefs that can cause disease or conditions \* Performing accurate body scans immediately \* Releasing deep old beliefs, emotions, and trauma You'll develop lasting friendships with like-minded individuals and feel lasting, permanent changes on all levels of your being. You'll also gain a deeper understanding of the creator's divine perfection, illuminating it through every cell of your body. This course is a unique gift to yourself, and many have experienced profound transformations. As Mark Anthony says, "A beautiful, unique, and joyous gift to give yourself!" Don't miss out on this opportunity for growth and self-discovery. Clear blocks in body systems, emotions, beliefs, and issues from daily lifeExpand consciousness with daily downloads for personal growth and positivityUnlock positive health and vitality on a deep level by releasing negative energiesThe course empowers manifestation, alteration, and activation on all levels, bridging the gap between physical and spiritual realmsIt's a powerful short course that condenses years of learning into a transformative experienceCourse details: \$3500 (early bird \$2900), \$1700 (repeat), March 2025 in Sydney, ONLINE or IN-PERSON via Zoom, daily from 11am to 6pmThis advanced ThetaHealing class is for dedicated practitioners seeking to become highly skilled at scanning and healing within the physical body using ThetaHealing techniquesPrerequisite: Basic, Advanced ThetaHealing, and Dig Deeper Practitioners Includes: ThetaHealing Intuitive Anatomy Manual, Anatomy Book, and practitioner's certificate. Intuitive Anatomy Course will take place on two separate occasions in 2025. First from April 8 to April 26, with days off on the 13th-14th and 20th-21st of that month. Alternatively, you can attend it online or in person, from 9:30 am to 6 pm EST, located in Newmarket, Ontario, Canada. Another session will be held from September 14 to October 2, with breaks on the 19th-20th and 26th-27th of that period. Those interested can send their preferred dates for a potential 2026 course, or re-certify for \$600 by enrolling in a three-week program starting in 2025.
