# All expertise under one roof

Nobel operates around the clock to deliver **filters**, **fuel**, and vessel **equipment**, to fully support the maritime sector.

As a **family business** with a team of over 40 people, we go above and beyond to deliver the very best for our customers every day.

**Ship Bunkering**  
Worldwide bunkering on location.

**Filtration & Separation**  
Market leader in filtration systems.

**Ship Equipment**  
All ship supplies needed on board.

## Ship Bunkering.

With own fully equipped bunker station, a dedicated bunker fleet and an extensive network of reliable truck suppliers, Nobel is able to efficiently deliver a broad range of fuels worldwide.

## Filtration & Separation.

Nobel has been a market leader for years in oil, air, water, fuel, and hydraulic filtration. Nobel is also an authorized highest grade distributor of renowned brands such as Fleetguard and Parker.

## Ship Equipment.

Nobel provides all (essential) ship supplies required on board. Thanks to a diverse assortment of 950+ brands and a well-stocked inventory, Nobel ensures fast and high quality replenishment of any shortages.

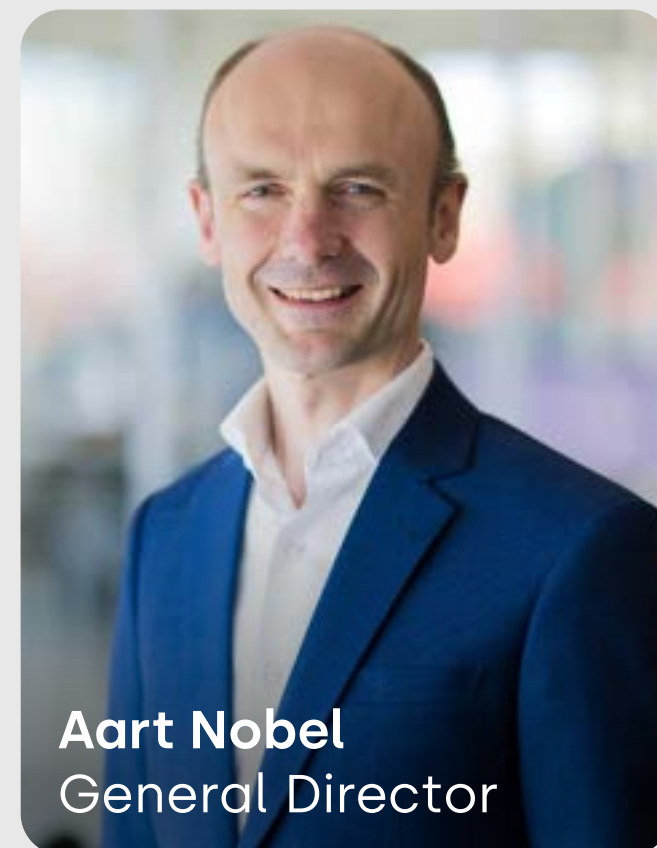

— VISION

# The finest voyage to the future.

As we look to the future, we see tensions emerging. Economically, Europe is facing challenges. International competition is increasing. Regulatory pressure is growing. Developments around sustainability will also affect us.

If you follow the developments at Nobel, the future also offers reassurance. In Nobel's vision, unburdening customers is central. That means listening, thinking along, and almost always saying: "we'll take care of it..." Whether it concerns fuel, filters, or ship supplies.

The handling of requests through to orders is becoming increasingly efficient, both internally and externally. That is why Nobel is fully investing in digitalization and efficiency. One thing remains unchanged: Nobel is always there for its customers — the guarantee for the finest voyage to the future!

— ISO-CERTIFICATIONS

# Quality makes difference.

At Nobel, everything revolves around quality and sustainability. The **ISO 9001**- and **14001**-certifications are proof of that.

These ISO standards commit Nobel to continuously optimize processes, care for the environment, and be consistent of delivery high-quality products.

The finest voyage  
to the future.

At your service worldwide.  
Focused on sustainability.

# A prime location second to none.

Nobel is strategically located in Zwijndrecht along the Oude Maas. This is the meeting point of sea and inland shipping, where Nobel operates from a 5,000 m<sup>2</sup> facility comprising a warehouse, office, and a shipstore filled with all needed ship supplies for on board.

Nobel's building is bordered by a **350-meter ISPS-certified quay**. This quay is ideal for (LNG-)bunkering via the TTS method, lifting operations, repairs, overnight stays, and drop-offs/pick-ups.
