To access your benefits and paycheck information, you need a web browser that supports JavaScript. Enable it in your browser settings or seek help from the manufacturer. Loading... This site is designed for Macy's employees to manage their benefit programs, paychecks, and company news. Get Your W-2 Faster with Tax Form Management Enroll in W-2 Tax Form Management to receive your electronic W-2 earlier. Active Colleagues: Log into My IN-SITE > Select W-2 Online to access your 2023 tax form. Former Colleagues: Go to www.mytaxform.com, enter Employer Name/Code (10260), and log in with your Social Security Number and PIN. If you forgot your PIN, use the "Forgot Your PIN" link. Current colleagues can access additional discounts on tax preparation services through H&R Block and EMWTAX. In-site provides information about yourself, pay records, and certain benefits made available to you by Macy's. By logging in, you represent that you're authorized to view this data. Access requires your associate ID number and a self-created password. Safeguard your access information due to the confidential nature of In-site records. The Company won't be responsible for security breaches caused by your failure to maintain confidentiality. Any information disclosed through In-site is for informational purposes only, and isn't the official record of your information. Benefits are governed by formal Company policy documents and plans. If you have questions or inconsistencies between In-site and these documents, refer to the official plan descriptions and documents. Subject to applicable law and collective bargaining agreements, the Company reserves the right to change, amend, or terminate its benefit programs at any time.
