STEWARDSHIP CORNER

The Assumption of Mary

The Apostles were so worried about Mary after Jesus was crucified and ascended into heaven. They decided to move her into a cottage in Ephesus. The cottage was located in a mountainous area. It was beautiful there – peaceful and prayerful. However, there was a major problem . . . there was no water on this mountainside. But God took care of that. One day, water sprung up near the cottage. To this day, that spring of water still exists.

The home of Mary still exists and is visited by thousands of people each year. They bless themselves with this water and carry bottles of water home with them. I had the privilege with my family to visit Mary's home. I felt a chill down my spine as I entered her home. Imagine, the mother of God walked through these rooms. Mary was well taken care of all the days of her life.

On Saturday, August 15th, we celebrate the Feast of the Assumption of the Blessed Mother. Mary is God's masterpiece. To honor Mary is to honor God. Mary shows what God could do with any of us, if we fully open ourselves to Him. Mary always did the will of God . . . even at the crucifixion when her heart was broken, she still accepted His will.

Please make Mary, the mother of God, your friend. You will always walk in peace, happiness and love. If you imitate Mary, the Mother of God, you will never walk alone.

Happy Feast Day, Mother of God.
