A LOOK THROUGH THE YEARS!

ARTIST RENDERING FOR THE MSGR. JOHN
O'DOWD EDUCATIONAL CENTER EVENTUALLY
INAUGURATED IN 1983

STEWARDSHIP CORNER

School Bells Are Ringing

"Time to get up, Johnny. It's your first day of school" . . .
"I'm so excited, but I'm scared" . . . "Don't be", his mother
said, "you will love going to school". Johnny dressed
quickly, ate a fast breakfast, and waited for his Mom to get
ready. When they arrived at school, his Mom was told to
walk him to his classroom. Johnny opened the door, and
was greeted by his teacher, Ms. Graham. He then met the
other boys and girls, and his life in kindergarten began.

Later that afternoon, Johnny's mother was ready to pick
up her son. While driving home, she asked, "How did you
like school and your first day?" . . . "I didn't like it at all. Billy
spilled water on me." . . . "Oh, he didn't mean to", his
mother responded. Mom was hoping that Johnny would
forget the incident and love school. As the days went by,
Johnny began to love school. At that age, he never
realized that he would be going to school for the next
sixteen years if he went to college.

Many scholars have said elementary school is very
important in your educational development. If you do
well in grade school, you will probably excel in high school
and college.

We are blessed at Epiphany School because it is a school
of academic excellence and spirituality. The principal,
faculty and staff are there to advance and help our
children learn. We owe them a deep debt of gratitude.

As many of you know, over the past fifty years, Epiphany
graduates have taken their place in society in the highest
professions and have made a great impact on society. We
should be very proud of them. When you combine
academic excellence and spirituality in your curriculum,
you develop a student with intelligence, love of God,
forgiveness, integrity, responsibility and above all, a
person who continues to build the kingdom of God.

May the doors of Epiphany School remain open forever.
God bless Epiphany School!
