A Look through the Years!

PILGRIMS & INDIANS AT THE 2006 SCHOOL THANKSGIVING SHOW.

STEWARDSHIP CORNER

Happy Thanksgiving

In the poem, "A Thanksgiving Prayer", St. Catherine of Sienna wrote, "O tender Father, You gave me much more than I ever asked for. Thanks. And again thanks, O Father, for the things I never realized I needed or petitioned."

Say thank you to someone and you will always see a smile on their face. The more you thank people, the happier they are, and the happier you are. Why? Because saying thanks promotes feelings of love, understanding, and goodwill. People who never say thank you are usually unhappy and self-centered individuals.

Six-year-old Tommy had an eye disease and was losing his sight. His surgeon needed to perform an operation to save his vision. The day of the surgery arrived and after three hours of surgery, his eyes were bandaged, and he fell asleep. The next morning, the doctor helped Tommy to remove his bandages. He did it slowly, and then yelled, "I can see". His mother said, "Tommy, what do you say to the doctor and nurses?" Tommy looked at them with a big smile on his face, and said, "Thank you, I love you!"

This Thursday, we celebrate "Thanksgiving Day". Why not begin your day with your family in saying "Thank you" to God for all the blessings you have received. If you can attend Mass and receive Holy Communion it will put a smile on your face and God's face.

Then you can gather with your family at home and enjoy a delicious Thanksgiving dinner. While at dinner, take a moment to look around the table and see all your loved ones. As you grow older, many will be missing from the table, but they are in heaven giving thanks to God just as we are doing on earth.

So, Happy Thanksgiving. May our lives be filled with love and above all gratitude for all God has done for us.

Happy Thanksgiving!

HYMNS FOR MASS

Proc: All hail the power of Jesus' name (254)

Psalm: 23 – The Lord is my shepherd; there is nothing I shall want.

Off: Let all mortal flesh keep silence (335)

ANNOUNCEMENTS

ADVENT EUCHARISTIC DEVOTION

STARTING SUNDAY NOVEMBER 29 UNTIL MONDAY NOVEMBER 30

What is the Advent Eucharist Devotion? The Advent Eucharistic Devotion is an opportunity to gather as a community before the Blessed Sacrament and to pray before the Lord in solemn adoration. The focus of this devotion is on the Holy Eucharist. As Catholics, the words of our Lord burn in our hearts: "I myself am the living bread come down from Heaven. If anyone eats this bread, he shall live forever; the bread I will give is my flesh for the life of the world." (Jn 6:51). On November 29th we will begin the Advent Eucharist Devotion after the Sunday 6:00 PM Mass. The Blessed Sacrament will remain on the altar for the next hours. The closing of the Hours will take place on Monday, November 30th, at 7:00 PM. During the hours of exposition, we are counting on our parishioners to devote an hour of adoration. The Blessed Sacrament cannot be left unattended when it is exposed.

EPIPHANY CATHOLIC PARISH

Dear Parishioners,
As we journey through November, the month in which we celebrate Thanksgiving Day and initiate the holiday season, here is once again much to be grateful for! Among the many blessings we enjoy are these recently completed projects undertaken and delivered at no extra cost to our parish and school community demonstrating our pro-active commitment to ongoing excellence:

- The roof renovation and installation of new classroom doors needed in the school's North Wing
- The transformation of an old classroom to accommodate an added Pre-K3 class
- The accommodation of a new administrative office within our school's Main Office
- The construction of a new Nurse's Office in one of our school's courtyards
- The creation of a new courtyard on the north side of the Parish Center
- The implementation of a hedge for greater privacy and security throughout the perimeter of our outside basketball courts
- The transformation of a scarcely used spaced into the Kings Closet merchandise store

How is this possible? Our long-established Epiphany School Endowment Fund has something to do with it. Our reserves, which have exclusively funded these projects, were able to remain robust and largely unused throughout the pandemic since the demanding emergency costs of the crisis were assumed by funds from the Endowment. As such, we see how a strong Endowment Fund facilitates present and future institutional stability.

How does the Endowment Fund work and how does it help? Very simply, the money collected for the Endowment is invested, not spent, thus the principal keeps regenerating year after year, and we only use or spend the interest. For many years, we re-invested the interest to build up the Fund, but we are now able to withdraw interest earned to assist us in various ways.

As mentioned in recent years, assistance from the Endowment made it possible during the pandemic for us to have:

- Not raised tuition for three years in spite having less enrollment in the school
- Doubled tuition relief from past years to families with documented hardship
- Expanded sanitation services and installed large scale Plexiglass protection due to COVID
- Assimilated added technology costs necessary to have provided virtual learning services
- Added new positions to solidify campus services
- Not laid off or furloughed any employees

Consequently, without the help of our Endowment, our reserve funds would have been seriously weakened, and our recently completed capital projects would have been significantly compromised.

As we journey towards a future of ongoing innovation and unforeseen challenges, we must wisely continue fortifying our Endowment Fund. As always, I thank you for the generous support you bring to this vital Fund. Please scan QR Code, or visit **www.epiphanycatholicchurch.com** under ONLINE GIVING for your kind contribution to it. Let us continue to thank God for his many gifts, especially the gift of our very important Endowment!

Blessings,

Rev. José Álvarez
Pastor
