✓ Exposure Analysis

STATE & LOCAL TAX

Get professional help to reduce your tax liability across five state and local tax categories.

Real Property Tax Services

Our approach uncovers available real property tax incentives, assessment reductions, and exemptions through opportunity reviews, acquisition consulting, assessment appeals, and more.

Personal Property Tax Services

We maintain specialty expertise in personal property tax services and provide compliance, consulting, and audit defense services designed to minimize significant tax burdens.

Sales & Use Tax Services

With an unparalleled level of knowledge of multistate sales and use tax laws, we deliver refund analysis, audit defense, compliance, and voluntary disclosures designed to fit the needs of your business.

Unclaimed Property Services

We help develop a comprehensive plan to get your business into compliance. Our services include analytic reviews, annual reporting, audit defense, and voluntary disclosure assistance.

Business Licenses & Gross Receipts Tax Services

While local business & gross receipts tax requirements are often overlooked, our team provides practical solutions to help businesses get into and maintain compliance with these requirements.
