## Pro Bono Project 2026: Open Call for Proposals

Norco, CA, June 5, 2026 - QCP plans to donate up to \$75,000 worth of product to another upcoming project, and we're asking for your help to find the best, most deserving winner.

As part of QCP's ongoing effort to give back to the communities we work with, we're looking to donate products to a new pro bono project that will be completed by the end of 2027.

We value your input, and would appreciate it if you could submit a project you think is deserving. Past projects include a collaboration with DIG Studio for the Arizona School for the Arts, Taco Plaza by Gardenland-Northgate Neighborhood Association and Atlas Lab Inc., and Lafayette Park by Heart of Los Angeles (HOLA) and cityLAB.

## ENTRY DEADLINE:

August 17, 2026

## PROJECT CRITERIA:

- Project must be completed by the end of 2027.
- Project needs a maximum of \$75,000 worth of standard products (total value of products, including freight).
- Project needs to be a pro bono project, or the majority of project participants need to contribute their efforts without compensation.
- Project must be in an underserved community.
- Example of acceptable projects:
- Community center, food bank, homeless shelter, after-school center, magnet school, neighborhood park, or community beautification.

## SUBMISSION REQUIREMENTS:

- In your submission, please include the following information in a PDF file no larger than 15 MB:
- Project name and description
- Roster of key entities involved
- Name of the product(s) the design team would like to use and in what application
- Renderings and or drawings of the project
- Images of the proposed products in use are encouraged
- Project schedule/timing
