

WARRANTY FOR CABINETS

LIMITED 5-YEAR WARRANTY

Cosmo Cabinets warrants its "covered products" to the original consumer purchaser to be free from all defects in workmanship and material under normal use for a period of five years from the original date of purchase. "Covered products" includes cabinet boxes, doors, drawers, shelves, and accessories (excluding any thermofoil parts or products) that are manufactured by Cosmo Cabinets. Any accessories or other products sold with or as a part of any "covered product" that were not manufactured by Cosmo Cabinets are excluded from the definition of "covered products" and coverage by this limited warranty.

WARRANTY LIMITATIONS AND EXCLUSIONS

This warranty does not cover misuse, abuse, improper storage, neglect, acts of God, exposure to moisture, exposure to extreme temperatures, or improper installation. Additionally, this warranty does not cover wear or deterioration that results from natural aging, including expansion and contraction. Any incidental, consequential, or other damages of any kind or nature are also excluded. This warranty does not cover discoloration such as lightening or darkening due to light exposure, natural or artificial. Age, lighting, and exposure to the elements all have an expected and natural effect on wood and are not considered to be manufacturer's defects that are covered by this warranty.

Painted finishes have unique characteristics that differ from standard wood finishes. Wood of all species is subject to the humidity and temperature of its environment and may expand or contract due to changes in weather, temperature, or climate. Due to these normal shifts in the environment, painted wood cabinetry may develop hairline cracks, peeling, or separation of seam lines. On select hardwoods and veneers, joints, seams, and some natural characteristics of the wood (including, but not limited to, grain patterns, knots, and mineral streaks) will remain visible through painted finishes. As painted cabinet products age, the finish may mellow or discolor slightly. The degree of change to the original finish color is affected by the products' exposure to natural and artificial light. These normal variations are not considered quality defects and are not covered by this warranty.

Laminated products using foils and PVC/PP/PET or similar polymers have some technical limitations and differ from solid wood products. This warranty excludes damage from excessive heat near the cabinets, warping, swelling, delamination, or edge-peel caused by water intrusion, steam, or prolonged moisture exposure. Scratches, dents, chips, abrasions, or discoloration from chemicals or cleaners are not covered. Color changes from sunlight/UV, normal aging or yellowing of white/bright laminates are normal over a period of time.

This warranty does not include any expenses incurred in removal, shipment, or reinstallation of the "covered products". Cosmo Cabinets will not assume or authorize anyone to assume for us, any liability in connection with the sale of Cosmo's products. This warranty shall not apply in storage situations where loading exceeds the Kitchen Cabinet Manufacturers Association testing and certification standards. In addition, this warranty shall not apply to any products used or installed in conjunction with Cosmo Cabinets such as plumbing fixtures, countertops, or appliances. Cosmo

Cabinets reserves the right to change design, specifications, and materials as conditions require when improvements are developed. The manufacturer has no obligations to incorporate such changes in products previously manufactured.

Usage & Load Limitations: All Cabinets are manufactured to meet ANSI/KCMA A161.1 performance standards and are intended for normal residential use only. When properly installed in accordance with Cosmo Cabinets' installation instructions and securely fastened to appropriate structural framing members, cabinets shall not be subjected to loads exceeding **300 pounds per individual cabinet**, evenly distributed. Damage resulting from overloading, uneven or concentrated weight distribution, improper installation, inadequate structural support, hanging or standing on cabinets, impact loading, or use inconsistent with typical residential kitchen or bath storage is excluded from coverage under this Limited Warranty.

WARRANTY PERFORMANCE

In the event of a manufacturing defect within the terms and conditions set forth herein, Cosmo Cabinets, Inc., at their discretion, will either replace or repair the defective product. Replacement parts may not match your existing cabinetry due to changes in the finish and wood over time. If the affected product is no longer available, Cosmo Cabinets reserves the right to (i) replace the affected component with a new component of a similar style, or (ii) replace the affected component and any other component within the total product to achieve a uniform appearance with a similar and comparable product style and quality as the original product. Repaired or replaced product shall be warranted for a period equal to the remainder of the original Limited Warranty on the original product or for ninety days, whichever is longer.
