People you see online are not actors, they are real people living their routine lives in apartments equipped with video cameras. ===== To use this website, you can choose any apartment and watch the residents living their lives through various video cameras. ----- You will know when there is motion or activity on a camera - it will be indicated by a small icon next to its name. You can also see previews of popular cams if you want to check them out first. ----- If you become premium member, then you'll have access to all closed cameras including bathrooms and bedrooms. You'll get the ability to use motion detection, which will give you an idea of when activity is happening in an apartment. ----- To upgrade from standard membership to premium membership, you should follow the prompts on your account page after logging into your account. ----- This website accepts Mastercard, Visa and PayPal. ===== If your subscription has expired but you still have days left for replay service, they will be saved in your account until you sign up for a new premium membership using the same email address. ----- To contact us, simply click on the support link at the bottom of this page. Switching to Premium is a breeze. You can swap apartments and cameras, change display modes, and toggle Auto mode on/off. Plus, you can always check out the most popular cameras at any moment. RLC Remote is completely free for all Premium members. Just head over to on your mobile device. To upgrade from Standard to Premium, follow these steps: First, cancel your current Standard membership at cs.segpay.com (for SegPay) or vtsup.com (for Verotel). If you need help with this step, just let us know at support@reallifecam.com. Then, join us with any Premium option. We'll recalculate your Premium Membership expiration date based on a simple formula: 1.5 days of Standard Membership equals one day of Premium Membership. For example, if you have 15 days left of Standard Membership and join us with the Premium Option for \$44.95 per 30 days, you'll get 40 days of Premium Membership. We accept VISA and Mastercard payments right now. You can make a payment from our payment page at reallifecam.com/join. I noticed that I didn't see anyone in the apartment I was watching. People living in these apartments are real people who lead active lives. They might be at work, studying, working out, or just running errands. Be sure to keep an eye on your time zone, as it may differ from the one the person you're watching is living in. You can cancel your membership or subscription at any time by reaching out to SegPay Customer Service (for SegPay) or Verotel Billing Support (for Verotel). If you have any questions, just shoot us an email at support@reallifecam.com.
