The story follows attorney Kim Fraser as she defends Brian Smith, a Shifter wrongly accused of murder, with the help of Liam Morissey, an alpha Shifter from Austin. As they work together to uncover the truth behind the crime, they develop a strong bond, navigating the complex world of Shifter culture and their own forbidden attraction. As Liam gets drawn into Kim's world, he starts questioning his own motivations for helping Brian. The collar that prevents aggression makes Kim believe her client is innocent, but she needs to prove it in court. Meanwhile, Liam has to act fast when an uncollared Shifter threatens Kim's life. Will their fates intertwine? The story explores the complexities of Shifter politics and the blurred lines between attraction and duty.
