Are you not satisfied with an Audible purchase? Don't worry, as a member, you can return or exchange a book within 365 days of buying it without losing credits. This risk-free policy lets you try new narrators or stories without penalty. To initiate the return process: Go to your Account Details page on the desktop site and click Purchase History. Then, click Return next to the desired book and select your reason for returning it. You will receive a confirmation once the return is successful. On mobile devices, go to the Audible app, tap Menu and then My Account, followed by Purchase History. Tap on the unwanted book and choose Return from the options provided. Note that if Online Return Unavailable appears, contact Audible Customer Care for assistance. Some frequently asked questions regarding the Audible return policy: Refunds will be given in the same form of payment used to purchase the title, such as credits or coupons. Credits purchased with a credit will be refunded immediately and can be used for future purchases. If you're not an Audible member, you can still return two titles every six months by contacting Customer Service via chat, phone, or email. Sometimes, if a book is marked "not eligible for return," you might still be able to return or exchange it with Audible's help. The online tool has limitations on the number of returns possible; after that, Audible may request further information to better understand your preferences and suggest more suitable titles. Remember to initiate any requests within 365 days from the original purchase date. There isn't a set limit for exchanges, but excessive use might lead to restrictions. Keep in mind that eligibility for these benefits ends immediately if you cancel or fail to maintain your membership. Audible may cancel or modify the terms of this program at any time. Audible Return Policy Explained: What You Need to Know With the rise of e-readers, apps, and audiobooks, returning unwanted titles has become more accessible than ever. Even social media platforms like BookTok have changed the way readers consume books. However, not every book is a hit, and sometimes regretful purchases can occur. For Audible users, returning books through the "Purchase History" section on mobile or desktop is relatively straightforward. Here's how: - On desktop: Click on your username, select "Account Details," then "Purchase History." Find the book you want to return and click "Return this title." - On mobile: Open the main menu icon with three lines, navigate to your account options, go to "Purchase History," and choose the book. Then, click "Return this title" and confirm. Refunds will be processed in one of two ways: a credit back if paid with a credit card, or another coupon for non-credit purchases. Refunded credits expire 12 months after issuance. Some important things to keep in mind: - Titles purchased with a credit card are not refundable. - Returns are only possible for Audible Premium Plus members. - Eligibility requirements include purchasing the book with credits, returning it within 365 days of purchase, and having an active account. - Audible monitors returns for abuse, so excessive returns or suspicious activity may be flagged.
