

I'm not robot

Upload your custom characters to the official GraalOnline repository and get a chance to win prizes and giveaways. Use our free templates to design your character and preview it with Graal Viewer. You can earn up to 20,000 Galats by uploading your customs to Graal-Online Servers (Classic, Era, Zone) and participating in competitions. Follow the guidelines carefully before submitting an image to ensure that it is accepted. Remember to respect copyrights and only upload original graphics or those you are authorized to use. Ensure that all visual effects are appropriate and that all heads and bodies make proper use of the provided dimensions. Want to create your own custom Heads, Bodies, Swords & Shields? Download our FREE Templates and learn how to use them! Upload your Customs to earn Galats and customize your game experience. Create unique Male Heads, Female Heads, Animals/Non human Bodies, or make your own Customs with ease. Use image editing programs like Gimp and Paint.net to create a new layer on top of the template. Once you're happy with your design, upload it to your favorite Graal game using the provided links. Remember to use computer/laptop for this process! Heads must be 32x560 pixels, Bodies must be 128x720 pixels. Follow these steps: Pick your head/body/shield type, go to the submit page, put in your email, select the file and what it is, and choose transparent background if needed. Click 'upload' and wait for admins to review. It costs Galats per upload: Heads - 20,000, Bodies - 10,000, Shields/Swords - 2,500, Public Shields/Swords - 1,000.
