Experience

Graphic Design & Visual Documentation Intern—Crescent School
September—December 2025

- Designed logos and marketing collateral for intra-school initiatives and that communicated the intentions of the event organizers while maintaining cohesiveness with Crescent's visual tone and identity
- Distilled copy decks into digestible and aesthetically pleasing reports
- Photographed school life, documenting special events and day-to-day activities, for community members and marketing purposes
- Filmed and edited Crescent's annual holiday video card which was received with an overwhelmingly positive response from current faculty and staff, families, and alumni
- Supported social media and newsletter calendar by creating and delivering creative assets in a timely manner

Graphic Designer—NEXT Student Agency
September 2024—August 2025

- Created brand visual identity as a first year student
- Collaborated with NEXT's director to create and deliver event posters, banners, and website to highlight agency's online and in-person presence
- Created a new logo for YWCA's The Shoe Project initiative which supports and shares the stories of immigrant and refugee women (pro bono project)
- Supported social media calendar by creating and delivering visual assets on a weekly basis

Peer Tutor—Humber Polytechnic
May—December 2024

- Taught first year Faculty of Media and Creative Arts students the basics of Photoshop, Illustrator, and InDesign
- Assisted Humber students with strengthening reading comprehension, grammar skills, conversation skills, and essay writing
- Worked one-on-one with ESL students to improve their understanding of English in reading and conversation skills
