London, UK

PROFESSIONAL SUMMARY

I design and build clean, functional websites that bring creative ideas to life. My focus is on crafting engaging web experiences through design precision and no-code development. I'm seeking a full-time in-house role where I can grow my Webflow expertise, contribute to meaningful projects, and thrive in a collaborative studio or brand team.

WORK EXPERIENCE

Freelance   **London, UK**

Web Designer & Developer   *Dec 2023 - Present*

- Led full-scope web projects for clients in gaming, creative, and cultural sectors, from UX/UI design to Webflow development.
- Translated abstract client ideas into structured, user-friendly web experiences with clear hierarchy and purposeful visual design.
- Managed proposals, contracts, timelines, and client communication independently.
- Developed functional, conversion-focused websites with Webflow, integrating CMS structures and animations.

Oliveto/Prezzemolo&Vitale/DF Tacos/Tesco Express   **London, UK**
