Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

"Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

"Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

"On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

"150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

"Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education at an accredited or bureau-approved postsecondary institution.

"Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

"Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

"First Available Exam Date" is the date for the first available exam after a student completed a program.

"Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

"Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

"Salary" is as reported by graduate or graduate's employer.

"No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Cancellation is effective on the date written notice of cancellation is sent. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

If you cancel, any payment you made, and any negotiable instrument signed by you shall be returned less enrollment fee and STRF fee to you within 45 days after the School receives your certified mailed or postal stamped mailed notice of cancellation.

However, if the school gave you any equipment, textbooks, and supplies, you must return the equipment, textbooks, and supplies with all tags and no apparent usage of supplies except for the uniform (uniform is non-refundable) within 3 days following the date of the cancellation notice.

If you do not return the equipment, textbooks, and supplies within this 3-day period, the school may keep a portion of the payment you made that is equal to the cost of the equipment, textbooks, supplies, and scrubs (unused) and refund the remainder. This refund shall be made within 45 days following the 3-day period within which you are required to return the equipment, textbooks, and supplies. To cancel the Enrollment Agreement, manila signed and dated copy of the "Notice of Cancellation," or any other written notice, or send a telegram to the school's executive director BY MIDNIGHT of the third business day following your first day of classes. REMEMBER, YOU MUST CANCEL IN WRITING.

You do not have the right to cancel by telephoning the school or by not coming to class. If you have any complaints, questions, or problems which you cannot resolve with the school, write or call: The Bureau for Private Postsecondary Education at 1747 N. Mission Ave., Suite 225, Sacramento, CA 95834, www.bppe.ca.gov telephone number (916) 574-8900.

ACKNOWLEDGEMENT:

- ☐ I have received the School Performance Fact Sheet including the footnotes, calculation and definition associated with the SPFS.
