

# STEM ACHIEVERS

A free STEM program  
for middle schoolers

## Program Details

- Get ready to explore, create, and discover what you can do!
- Spend July 13–24, 2026, exploring STEM on a real college campus, from 9:00 am to 3:00 pm.
- Sign up through the QR code and we'll reach out with next steps.
- Lunch is included so students can focus on building, experimenting, and having fun.
- Completely free and open to all students in grades 5-7.
- **Location:** Mercy University Bronx Campus  
1200 Waters Pl, Bronx, NY 10461
