

Baby Blocks Little Babies, Big Feelings

caregiver workshops
designed for families
with young children

This series is all about Social Emotional Learning for the whole family! We will explore the big emotions children feel, using easy tips to support our little ones to understand and care for their emotions. By talking over strategies for reducing stress while raising future readers, we will discuss how emotional development is tied to language skills and learning together.

At 12pm on:

6/2

6/9

6/16
