Free Intensive Classes

ENGLISH FOR PARENTS

6 hours per week

Location: Corona and Jackson Heights in Queens, Bronx, and virtual

Want to learn English so you can help your child prepare for school?

Join our free English classes for moms, dads, and caregivers of children ages 0 to 10. You will learn English step by step, in small groups, with one-on-one conversation practice. We will also talk about child development and family health. As we talk about how children grow and how to care for your family, you will get support from other parents, access to helpful resources, and free books for your family.
